**Evaluation of Honors Project:** (To be filled out and signed by faculty member.) Please check one.

In order for the course to be converted to an Honors credit course on the transcript, the final project must earn a B or better per the instructor. This project was not part of the course grade; it is only used to determine Honors worthiness for the individual student in this course.

I have evaluated the final product, and it was:

- completed and exceeded expectations. This course will be noted as Honors on the student's transcript.
- completed and met expectations. This course will be noted as Honors on the student's transcript.
- not completed satisfactorily. The course will not be noted as Honors.
- not completed. The course will not be noted as Honors.
