## College of Liberal Arts & Social Sciences

---

### *Associate of Arts with a Focus in Rhetoric and Writing Degree to the Bachelor of Arts in Writing, Rhetoric and Discourse*

This program plan agreement is entered into by College of DuPage English program faculty and DePaul University Writing, Rhetoric and Discourse (WRD) faculty for the purpose of providing guaranteed admission for select College of DuPage students. Specifically, College of DuPage students who successfully complete the Associate of Arts with a focus in Rhetoric and Writing degree are guaranteed admission into DePaul University, College of Liberal Arts & Social Sciences (LASS) WRD degree program, provided that all current admissions standards, policies, and procedures of DePaul are met at the time of admission.

**College of DuPage students must join DePaul’s Admission Partnership Program (DAPP)** to participate in this program to receive the benefits of this agreement. Through DAPP, students will be counseled and advised by both schools as to the courses to complete which will fulfill both associate degree and bachelor degree requirements. The program plan must be followed for students to receive maximum transfer credit towards the bachelor degree. The recommended courses provide the academic preparation and prerequisite requirements for the DePaul’s Bachelor of Arts degree in Writing, Rhetoric and Discourse.

In order to retain current and dynamic curriculum course content, required courses and degree requirements are subject to frequent changes. DAPP provides the means to keep the students with the most up to date information about program requirements at both College of DuPage and DePaul University. Students who do not join DAPP will still be able to transfer to DePaul’s B.A. in WRD as regular DePaul transfer students. **Students not participating in DAPP will be subject to changes in program requirements that take place at any point in their enrollment at College of DuPage.**
