## STUDENT PLANNING WORKSHEET 1998-99 Revision

## Counseling,Transfer and Advising Services, Instructional Center (IC), Room 2010

## GENERAL REQUIREMENTS FOR ALL ASSOCIATE'S DEGREES

1. Complete at least $\mathbf{9 6}$ quarter hours of credit in courses numbered 100 or above (or their equivalent) as specified for each degree.
2. Possess a minimum $2.0(\mathrm{C})$ average in the combined grade point of all College of DuPage courses numbered 100 and above and all courses accepted for transfer from other institutions.
3. Complete a minimum of 30 quarter hours of applicable degree credit at College of DuPage with the final 15 hours of credit at College of DuPage.
4. Meet the "Constitution" requirement by presenting credit in Political Science 101 or History 256 (or old 251) or earn a satisfactory score on a test on the Constitution of the United States and the Constitution of the State of Illinois, or present a transcript from an Illinois high school or Illinois GED completion program specifically stating that the Constitution requirement has been met. Note: Credit earned in History 256 (or old 251) or Political Science 101 through Credit by Demonstrated Competence program does not satisfy the "Constitution" requirement.
5. File a petition for a degree at least two quarters before the anticipated completion date.
6. Satisfy all financial and other specific requirements.
7. Be in good standing at the time final credits for the degree are earned.

## OTHER CONSIDERATIONS FOR DEGREE REQUIREMENTS

1. Only a maximum of 6 quarter hours in Physical Education activity courses will apply toward the degree.
2. Only a maximum of 20 quarter hours with a satisfactory/fail option will apply toward the degree.
3. Only a maximum of 45 quarter hours in courses numbered 188 or 288 will apply toward the degree.
4. Only a maximum of 8 quarter hours in courses numbered 198 will apply toward the degree.
5. Only a maximum of 65 quarter hours in courses completed by demonstrated competence will apply toward the degree.

When students break enrollment (See p. 18, 1997-99 catalog) for more than four consecutive quarters, they are then subject to the degree requirements as stated in the College of DuPage Catalog that is current at the time of re-entry. Students who are covered under a catalog prior to 1997-99 should consult with an adviser.

[^0]
## ASSOCIATE'S/ DEGREE REQUIREMENTS

As part of the minimum total of 96 quarter credit hours, each student working toward an associate's degree must take a minimum number of credits in general education courses depending on the type of degree the student is seeking.

Degree requirements: 96 minimum total credits
degree
MINIMUM DEGREE REQUIREMENTS
AA
.62 general education credits or more*
(Associate in Arts)
34 additional credits\#
96 minimum total credits This degree is designed for students who plan to transfer to a baccalaureate-granting school to pursue a bachelor's degree in a liberal arts area or in a business area.

## AS

$\qquad$ .67 general education credits or more* (Associate in Science)

29 additional credits\#
96 minimum total credits This degree is designed for students who plan to transfer to a baccalaureate-granting school to pursue a bachelor's degree in engineering or science.

AES
.69 to 72 required credits $\dagger$
(Associate in Engineering Science) 31 to 33 additional credits $\dagger$
102 minimum total credits
This degree is designed for those students who wish to transfer to an engineering program at a baccalaureate-granting school. The degree requirements are flexible enough so that a student may prepare for transfer to nearly any program.

AAS
33 general education credits or more*
(Associate in Applied Science)
63 additional credits\#
96 minimum total credits
This degree represents completion to an occupational/
vocational program of study, some programs transfer to baccalaureate-granting schools in Capstone or $2+2$ arrangements and/or as part of a non-traditional bachelor's degree program. See an adviser for details.

AGS $\qquad$ .46 general education credits or more* (Associate in General Studies)

50 additional credits\# 96 minimum total credits This degree is designed to arrange a program of courses to meet student's personal interests. This degree may transfer to some baccalaureate-granting schools as part of a non-traditional bachelor's degree program. See an adviser for details.

* See inside for general education credit distribution.
\# See inside for additional credit distribution.
$\dagger$ Since requirements vary significantly among programs, the interested student should see an engineering adviser.

This worksheet is only a planning tool. Official evaluation is done by the Records office.

## TO WHOM CAN I GO FOR HELP?

## Faculty Advisers

All College of DuPage faculty are advisers. They will help you with scheduling classes, understanding your degree requirements, choosing courses that will transfer to your next school, planning a program of study, and learning about careers in your adviser's field.

There are several ways for you to choose an adviser. You may begin by talking to one of your current teachers, a former teacher or by stopping by the Advising and Transfer Center, IC 2010, (630) $942-2259$, for a faculty adviser referral. Once you are fairly certain about an area of study, a faculty adviser who teaches in that field can assist you. Appointments are made by personal arrangement with the faculty adviser.

## Advising Assistance Center Advisers

Advisers are available to provide general advising assistance either by phone at (630) 942-2259 or on a walk-in basis. They provide general information about college programs, resources, policies and procedures. These advisers also provide general transfer planning, placement test interpretation and assistance with checking your progress toward degree completion.

## Counselors

Counselors assist students who are undecided about educational or career plans, are in academic difficulty, and/or are having personal problems. Day and evening appointments with counselors are available. Students may stop by IC 2010, or call (630) 942-2259 to schedule an appointment.

## HOW DO I REMEMBER WHAT COURSES I HAVE TAKEN?

Keep your grade report forms, which are a summary of earned credits, and record them on this form!

You may review your transcript of courses taken at College of DuPage from Fall Quarter 1983 to the present on a computer terminal located in the Advising and Transfer Center, IC 2010, or in the College and Career Information Center located in the Library. In order to access this information, you must use your confidential PIN number which can be found on the registration appointment letter you receive in the mail.

## WHO CAN TELL ME IF I HAVE EVERYTHING I NEED IN ORDER TO GRADUATE?

Although you should receive course planning assistance from an adviser or counselor throughout your studies, the Records office makes the final check on whether you are ready to graduate. You should petition for graduation at least two quarters before your expected last quarter so the Records office can notify you of any deficiencies early enough to plan the last quarter.

Petition for Degree or Certificate forms are available at the Records office, Student Resource Center (SRC), Room 2015; the Information office, SRC 2046; or the Advising and Transfer Center, IC 2010. You may also order a Degree Audit, a computerized degree evaluation of your College of DuPage credit, from the Records office.

For your convenience, we have developed an Advising Activity Log. Use this log to record contacts with appropriate college personnel such as advisers, counselors, faculty members, deans and records staff.

## ADVISING ACTIVITY LOG
