

Electro-Mechanical Technology Core Courses

Core courses are foundation program courses for all students interested in Electro-Mechanical Technology Degree and certificates.

Elect 1100	Electricity and Electronics Fundamentals	2
Elmec 1101	Survey of Automation	3
Elmec 1110	Motor Fundamentals	3
Elmec 1130	Industrial Electricity	3
Manuf 1104	Technical Mechanics	2
Manuf 1141	Hydraulics and Pneumatics	3
Manuf 1171	Introduction to Robotic Technology	3
Manuf 1180	Quality Control	3
Manuf 1190	Introduction to Programmable Logic Controllers	3
