Understanding Your Federal Stafford Loan Award

Please Note: This is a loan that **must** be paid back.

General Loan Eligibility

Federal Stafford Loans are available to College of DuPage students who are enrolled in at least six (6) credit hours (1000 level or above and/or approved remedial courses) each term of the loan. You must also be enrolled in classes leading to a [U.S. Department of Education approved certificate or degree](#). Loan amounts are based on your grade level at the College of DuPage, i.e. freshman or sophomore, and your dependency status according to the Free Application for Federal Student Aid (FAFSA).

Students who receive their maximum Federal Stafford Loan eligibility during the standard academic year, i.e. Fall and Spring terms, will not have any loan eligibility for the summer term.

Students who receive a Federal Stafford Loan at another school during the same academic year will have their loan awards prorated at the College of DuPage. This may result in you not being eligible for the full loan award or not being eligible at all for a loan at the College of DuPage.

*All first time Federal Stafford Loan borrowers at the College of DuPage must complete [Stafford Loan Entrance Counseling](#) prior to receiving their loan funds. Failure to complete Stafford Loan Entrance Counseling will **stop** your loan processing.*

Loan Limits

These are the maximum loan amounts you may borrow. *The Office of Student Financial Aid has the responsibility to lower the amount of loan requested if it is determined you are not eligible for the requested amount.*

	Dependent Student
FRESHMAN	\$3,500 Subsidized \$2,000 Unsubsidized
SOPHOMORE	\$4,500 Subsidized \$2,000 Unsubsidized

Completing the Master Promissory Note

Your lender will contact you to request a Master Promissory Note (MPN), if needed. College of DuPage is not required to notify students that they need to complete a MPN. To expedite the process, you may wish to complete your MPN online with your lender. *Failure to complete a MPN will **stop** your lender from disbursing your loan funds.*

Once your lender receives College of DuPage's certification request, your lender will send you a Notice of Guarantee/Disclosure Statement (NOG/DS) that provides you with important information regarding your loan, i.e loan period, tentative disbursement dates, disbursement amounts and interest rates.

Disbursement of Funds

Upon completion of the MPN, the lender will send your loan funds via Electronic Funds Transfer (EFT) to the College of DuPage according to the dates listed on your NOG/DS.

If you are registered for at least 6 credit hours at the time of disbursement, your loan funds will be placed directly on your student account. Any remaining loan funds in excess of your educational costs will be mailed to your address within approximately 14 days of being placed on your account and no earlier than the start of the term.

*If you are **not** registered for at least 6 credit hours at the time the lender disburses your loan funds, your loan funds will be returned to your lender. It will be your responsibility to request the Office of Student Financial Aid to re-instate your loan once you have registered for at least 6 credit hours. The request must be a written request. **Requests for reinstatement of your loan will not be taken over the phone.***

After the loan funds have been placed on your student account, you will receive an updated Statement of Fees from the Cashiers Office. This will serve as your notification of loan funds posted to your account. If you wish to have your loan cancelled you must notify the Office of Student Financial Aid **in writing** within 14 days from receipt of the notification.

If you are a first-time Federal Stafford Loan borrower at College of DuPage, disbursement of your loan funds will be delayed until 30 days after the start of the term. Any loan funds in excess of your educational costs will be mailed to your address within approximately 14 days of being placed on your account.
