Degree: Associate in Applied Science
Total Required Credits for Degree: 64
Program Requirements: 31
Program Electives: 14
General Education Credits: 19
Code: 3696

About the Program

The Motion Picture/Television program specializes in preparing students for employment and/or transfer in the fields of film, video, television, animation and audio production. Graduates find jobs in industry, education and government, although a knowledge of motion picture or television production is also helpful for those seeking careers in advertising, public relations and other related fields. A hands-on approach to learning is emphasized. Several courses are transfer-oriented.
