

How to Get Started

ADMISSIONS POLICIES AND PROCEDURES

Admission is open to anyone who is a high school graduate, has earned a GED or is at least 18 years old and can benefit from college-level instruction. To qualify for federal student aid, students must have a high school diploma or a recognized equivalent such as a General Educational Development (GED) certificate or have completed a high school education in a homeschool setting approved under state law. Admission can be granted to others by the Manager, Admissions and Outreach (Board Policy 20-50). The College prohibits discrimination in its admission, employment, and educational programs or activities on the basis of race, color, sex, religion, creed, national origin, age, ancestry, marital status, sexual orientation, arrest record, military status or unfavorable military discharge, citizenship status, and physical or mental handicap or disability (Board Policy 20-5).

Prospective students need to apply to the Office of Admissions and Outreach well in advance of their expected starting date. Applications are available online at www.cod.edu or in the Office of Admissions and Outreach.

Students should submit official transcripts from high schools and colleges they have attended. No entrance exams are required for admission; however, entrance exam information is helpful to college advisors who assist students with their educational planning. Therefore, students are encouraged to submit national college entrance tests such as the ACT. Placement tests in reading, writing and mathematics may be needed.

REGISTRATION PROCEDURES

New Student Registration Eligibility—New student registration begins the day after returning student registration ends. For more information, call the Office of Student Registration Services at (630) 942-2377.

Ways to Register

When eligible, students may register in one of three ways.

- 1. Online Registration** (myaccess.cod.edu)
To use online registration, an individual must be an admitted or returning student with a Colleague Student I.D. The student I.D. number is sent in your College of DuPage Admission letter.
- 2. In-Person**
Visit the Office of Student Registration Services in the Student Services Center (SSC), Room 2221 during office hours. The COD Centers will also provide registration assistance.
- 3. By Phone**
Students may register by calling the Office of Student Registration Services at (630) 942-2377.

Returning Students

The registration date will be based on the number of credit hours a student has successfully completed at College of DuPage. Check myaccess.cod.edu and under Academic profile select “My Profile” for Priority Registration.

Late Registration

Written permission must be obtained from the instructor to register for a class the day after the class begins. Registration is not permitted after the midpoint of the class.

Auditing a Class

Intent to audit a class must be indicated at the time of registration and the audit tuition charge will be assessed. After the class begins, written permission from the instructor is required in order to audit a class and the audit cannot be revoked. Students may not request to audit a class after midterm. The audit grade of “X” is recorded on the student’s permanent academic record (transcript): No credit is earned, or will be applied to a degree or certificate, and the audit grade does not affect the student’s grade point average (GPA).

Overload

Students wishing to register for 20 or more credits during any term must have written permission from a counselor or advisor in Counseling and Advising Services, or from the dean or associate dean in the student’s academic area.

Non-Credit Classes, Seminars and Workshops

A student may register for non-credit classes, seminars and workshops anytime between the beginning of the registration period up to the second meeting of the class.

Withdrawal from Credit Classes Procedure

The final day for a student to withdraw from any course will be equal to 75 percent of the time for the respective academic session. Withdrawal deadline dates can be found on the Registration calendar or on the student Class Schedule in myACCESS. Students will receive a grade of “W” for withdrawals made after the 100 and 50 percent refund periods. After the 75 percent of the term withdrawal deadline, students will be required to appeal for late withdrawal and provide appropriate documentation to Student Registration Services. Students whose petition to withdraw is approved will not be eligible for refunds of tuition or fees and will receive a ‘W’ grade on their transcript. Appeals must be submitted prior to the designated final exam period for 16-week classes and before the last class meeting for all other session classes.

Withdrawing From Credit Classes Due to a Medical Reason

Direct a request to withdraw from classes for a medical reason to the medical appeal specialist in the Office of Student Registration Services, Student Services Center (SSC), Room 2221, (630) 942-2377. Requests must be made in writing and accompanied by documentation from a physician or medical institution to verify the medical condition, date of onset and estimated length of treatment. Medical withdrawal forms are available in the Office of Student Registration Services and online at www.cod.edu/registration/refunds.aspx. Requests for medical withdrawals are reviewed individually. Refunds are issued when appropriate within the guidelines of the College of DuPage refund policy. The student will receive written notification of the decision within three weeks of submitting the request to the Office of Student Registration Services, Student Services Center (SSC), Room 2221.

Withdrawing From Adult Non-Credit Classes, Seminars and Workshops

A student may withdraw up until the end of the class, seminar or workshop.

STUDENT FINANCIAL AID

Financial aid programs strive to reduce financial barriers to a college education. Most federal and state financial aid programs are based on demonstrated financial need. Financial need is the difference between the resources of the student and/or family and the cost of attending college.

Financial aid is available to any eligible student enrolled in an eligible degree or certificate program. Grants, loans, on-campus employment and local scholarships are options available to help students meet their educational expenses. All federal/state financial aid programs are subject to government review and control, and are subject to change.

The Free Application for Federal Student Aid (FAFSA) is on the web at www.fafsa.gov. Students planning to attend College of DuPage in the fall may apply for financial aid in January of the same year. Those who apply and qualify before April will be given first consideration. After this date, funds will be awarded according to the date of a student's completed financial aid file, financial need and fund availability.

In general, a student may qualify for most federal and state financial aid if the following conditions are met:

- The student must be enrolled at least half-time as a regular student in an eligible program.
- The student must be a U.S. citizen or an eligible non-citizen.
- The student must demonstrate financial need.
- The student must maintain satisfactory academic progress.
- The student must not be in default on a Perkins, Stafford or PLUS/SLS loan.
- The student cannot have an overpayment on a Federal Pell Grant or a Supplemental Educational Opportunity Grant.
- The student must have signed a Statement of Selective Service Compliance.

For additional information, contact the Office of Student Financial Assistance, (630) 942-2251.

Grants

Federal Pell Grants help undergraduate students who have not earned a bachelor's or professional degree from either a U.S. or foreign college to pay for their education. The Pell Grant is the largest federal student aid grant. For many students, these grants provide a foundation of financial aid, to which aid from other sources may be added. Pell Grants may be used to pay for tuition, books and indirect educational expenses. Pell Grants do not have to be paid back.

Monetary Award Program

The Illinois Monetary Award Program (MAP) is a need-based, state-funded program designed to assist undergraduate college students. The Monetary Award Program pays only in-district tuition charges. Monetary award amounts vary depending on the student's demonstrated financial need.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG is awarded to undergraduate college students to help pay for educational expenses. Students can receive up to \$1,500 a year with priority given to students with exceptional financial need who receive the Pell Grant. The FSEOG awards are based on the availability of FSEOG funds and do not need to be repaid.

Student-to-Student Grant (STS)

Student-to-Student grants assist undergraduate students at state-supported colleges. Students must demonstrate exceptional financial need and be concurrent Pell Grant recipients. Students who receive an FSEOG are not considered for the STS grant. Student-to-Student grants are based on available funds and do not have to be repaid.

Federal Work-Study

Federal Work-Study provides students with financial need the opportunity to earn money for meeting their educational expenses. A variety of jobs are available to students both on- and-off campus. Contact the Human Resources office for more information at (630) 942-2460.

Loans

The Federal Direct Loan Program, provided by the federal government, offers low-interest, long-term educational loans to qualified students. This program includes both subsidized and unsubsidized loans. Subsidized loans are made to students who complete the FAFSA and demonstrate financial need. Eligibility for unsubsidized loans is not based on financial need and does not require a FAFSA.

The primary difference between the two loan types is that the borrower is responsible for paying the interest on the unsubsidized loan from the date the funds are disbursed. As of July 1, 2012, students are responsible for interest accrued on their Subsidized Stafford Loan while entering the grace period before repayment of their subsidized Stafford Loan begins.

Loan Limits

The following charts indicate the Federal Stafford loan limits that apply to a combination of both subsidized and unsubsidized loans at the time of printing this publication.

ACADEMIC LEVEL	COMBINED SUBSIDIZED AND UNSUBSIDIZED LOAN LIMITS*
Freshman	\$5,500
Sophomore	\$6,500

Independent Undergraduate Students

ACADEMIC LEVEL	COMBINED SUBSID. AND UNSUBSID. LOAN LIMITS	ADDITIONAL UNSUBSIDIZED LOAN LIMITS	TOTAL LIMITS
Freshman	\$3,500	\$6,000	\$9,500
Sophomore	\$4,500	\$6,000	\$10,500

* Maximum loan eligibility depends upon actual enrollment and other aid received, therefore, a student's loan eligibility may be less than the maximum.

Federal Direct PLUS Loan

Parent Loans for Undergraduate Students (PLUS) are long-term educational loans provided by the federal government for qualified individuals. A parent or legal guardian is eligible to borrow on behalf of dependent undergraduate students and the loan has a variable interest rate. The maximum loan amount that a parent may borrow per academic level on behalf of each dependent student cannot exceed the cost of attendance minus any financial aid received.

A PLUS borrower is obligated to repay the full amount borrowed, including origination fees and interest. The repayment period begins on the date the loan is fully disbursed, as there is no grace period. Check with your loan servicer for your loan repayment schedule.

These loan programs are governed by federal regulations and are subject to change.
