SCORPIO (October 23 to November 21) Expect to hear more about an offer that has piqued your interest. You earn respect for insisting on solid facts, not just a fancy talk about potential opportunities.

SAGITTARIUS (November 22 to December 21)What seemed to be a reasonable workplace request might need to be defended. Don't fret. You have both the facts and a surprise ally on your side.

CAPRICORN (December 22 to January 19) A bit of capriciousness might be just what you need. Plan to kick up your heels in a round of fun and games with family and friends this weekend.

AQUARIUS (January 20 to February 18) Although some of your plans might have to be put on hold, things do begin to take a turn for the better by midweek. Your financial crunch also eases.

PISCES (February 19 to March 20) Your financial picture begins to brighten by week's end. There are also favorable changes in your personal life. Someone you care for has good news to report.

BORN THIS WEEK: You seek balance, but not at the expense of justice. You would make a fine judge.
