Salome's Stars

ARIES (March 21 to April 19) This is a good time for the usually outspoken Lamb to be a bit more discreet. You still can get your point across, but do it in a way less likely to turn off a potential supporter.

TAURUS (April 20 to May 20) All that hard work you put in is beginning to pay off. But you need to watch that tendency to insist on doing things your way or no way. Be a bit more flexible.

GEMINI (May 21 to June 20) You want to delay making a decision on the future of a long-standing relationship until you check out some heretofore hidden details are just now beginning to emerge.

CANCER (June 21 to July 22) Your reluctance to compromise on an important issue could backfire without more facts to support your position. Weigh your options before making your next move.

LEO (July 23 to August 22) This is a good time for ambitious Leos to shift from planning their next move to actually doing it. Your communication skills help persuade others to join you.

VIRGO (August 23 to September 22) Relationships (personal or professional) present new challenges. Be careful not to let a sudden surge of stubbornness influence how you choose to deal with them.

LIBRA (September 23 to October 22) You might need more facts before you can decide on a possible career change, but you should have no problem making a decision about a personal matter.

SCORPIO (October 23 to November 21) You're respected by most people for your direct, no-nonsense approach to the issues, but be careful you don't replace honest skepticism with stinging sarcasm.

SAGITTARIUS (November 22 to December 21) A newly emerging situation could require a good deal of attention and some difficult decision-making. However, close friends will help you see it through.

CAPRICORN (December 22 to January 19) Family matters need attention. Check things out carefully. There still might be unresolved tensions that could hinder your efforts to repair damaged relationships.

AQUARIUS (January 20 to February 18) Of course you deserve to indulge yourself in something special. But for now, tuck that bit of mad money away. You'll need it to help with a looming cash crunch.

PISCES (February 19 to March 20) A temporary setback in your financial situation is eased by changing some of your plans. You'll be able to ride it out quite well until the tide turns back in your favor.

BORN THIS WEEK: You have a gift for understanding people's needs. You have a low tolerance for those who act without concern for others.
