LOOK AT THIS LINE, SARAH! I'M GLAD WE PRE-REGISTERED FOR THIS COMIC CONVENTION.

Salome's Stars

ARIES (March 21 to April 19) Congratulations, Lamb. The end of the month brings good news in the workplace, thanks to all the efforts you've made to get your projects off the ground and running.

TAURUS (April 20 to May 20) Don't let yourself be cowed into thinking you're not up to the challenge you've taken on. Keep reinforcing your self-confidence, and no one and nothing can stop you.

GEMINI (May 21 to June 20) Positive responses to a recent workplace move should give you added assurance that you're on the right track. Celebrate the good news with family and/or friends.

CANCER (June 21 to July 22) There's still a little emotional fuzziness you have to work through before you can feel really certain about your recent decisions. But you're on the right track. Stay with it.

LEO (July 23 to August 22) You're tempted by an offer that seems close to what you've been looking for. But before you pounce on it, see if you can coax out some added perks to sweeten the deal.

VIRGO (August 23 to September 22) A volatile situation needs the kind of thoughtful and considerate care you can provide right now. There'll be plenty of time later to analyze what might have gone wrong.

LIBRA (September 23 to October 22) Your loyalty to a friend in a tough situation earns you respect from people you care about. Those who criticize you don't understand what friendship is all about.

SCORPIO (October 23 to November 21) Your strong work ethic is rewarded with the kind of challenging opportunity you love to tackle. Now, go ahead and celebrate with family and/or close friends.

SAGITTARIUS (November 22 to December 21) A legal matter you thought had been finally resolved could require a second look. But don't make any moves without consulting your lawyer.

CAPRICORN (December 22 to January 19) Taking charge is what you like to do, and since you do it so well, expect to be asked to lead a special group. This could open an exciting new vista for you.

AQUARIUS (January 20 to February 18) An important matter might wind up being entrusted to you for handling. The responsibility is heavy, but you'll have support from people able and eager to help.

PISCES (February 19 to March 20) A spouse or partner might make an important, even life-changing, suggestion. Consider it carefully. It could hold some of the answers you've both been looking for.

BORN THIS WEEK: You always try to do the right thing, and for the right reasons. No wonder people have come to depend on you.
