Salome's Stars

ARIES (March 21 to Apr 19) The changing season brings new experiences as well as challenges for the ever-adventurous Aries. Your social life expands, as do the opportunities at your workplace.

TAURUS (April 20 to May 20) That recent period of uncertainty has passed. You can now feel more confident about making decisions, especially those that relate to an important personal relationship.

GEMINI (May 21 to June 20) Although you might be faced with a number of tasks on your to-do list, try to take time out to enjoy the arts. Music, especially, can be soothing to the sensitive soul of a Gemini.

CANCER (June 21 to July 22) A disagreement with a colleague or friend is best resolved with open and frank discussion. Trying to force the other party to see things your way is bound to backfire.

LEO (July 23 to August 22) That Leonine pride might be ruffled by a colleague's challenge to one of your pet ideas. But stop growling and listen. You could learn something that will work to your advantage.

VIRGO (August 23 to September 22) Someone in authority might decide to select you as a candidate for a project that carries more responsibilities. Be prepared to show why you're the right choice for the job.

LIBRA (September 23 to October 22) That new workplace problem should be dealt with as soon as possible. Leaving it unresolved for too long could lead to an even more unsettling and time-consuming situation.

SCORPIO (October 23 to November 21) You might have to do some fancy juggling to keep both your work responsibilities and personal obligations on track. But ultimately, you'll work it all out, as you always do.

SAGITTARIUS (November 22 to December 21) You might hear some upsetting things about a situation in your life. But don't be swayed by talk. Demand proof before making any decisions on the matter.

CAPRICORN (December 22 to January 19) Don't risk depleting those precious energy levels by taking on more tasks than you can realistically handle. Also, remember to ask for help when you need it.

AQUARIUS (January 20 to February 18) It might be difficult for the Aquarian who is used to giving advice to take counsel when offered. But it's a good idea to listen to what trusted friends feel you should know.

PISCES (February 19 to March 20) Things might be a little unsettled as you move through a period of reassessment. But once you get your priorities sorted out, you should be ready to tackle an important decision.

BORN THIS WEEK: You're able to achieve a happy balance in your productive life by never feeling overwhelmed or underappreciated.
