Salome's Stars

ARIES (March 21 to Apr 19) Your efforts in behalf of a colleague do not go unnoticed, let alone unappreciated. Meanwhile, arrange to spend more time investigating that troubling fact you recently uncovered.

TAURUS (April 20 to May 20) Devoting a lot of time to a current career move means having less time for those in your private life. But once you explain the circumstances, they should understand and be supportive.

GEMINI (May 21 to June 20) Organizing your many duties in order of importance should help you get through them pretty quickly. Additional information puts that still-to-be-made decision in a new light.

CANCER (June 21 to July 22) Lingering bad feelings over a recent misunderstanding should fade as reconciliation efforts continue. Meanwhile, vacation plans might need to be revised because of new developments.

LEO (July 23 to August 22) Love dominates the Lion's heart this week, with Cupid shooting arrows at single Leos and Leonas looking for romance. Partnered pairs also enjoy strengthened relationships.

VIRGO (August 23 to September 22) "Getting To Know You" should be the single Virgo's theme song as you and that special person discover more about one another. That workplace situation needs looking into.

LIBRA (September 23 to October 22) You might be upset at having your objectivity questioned in the handling of a dispute. But it would be wise to re-examine your feelings to make sure you're being fair with both sides.

SCORPIO (October 23 to November 21) A family dispute creates mixed feelings about how you hope it will be ultimately resolved. Best advice: Stay out of it and let the involved parties work it through by themselves.

SAGITTARIUS (November 22 to December 21) Making an effort to smooth over even the smallest obstacles now will go a long way to assuring that things run smoothly once you're set to move on with your plans.

CAPRICORN (December 22 to January 19) A challenge to your authority can be upsetting, but your longtime supporters want you to defend your position so you can win over even your most adamant detractors.

AQUARIUS (January 20 to February 18) Being unable to get involved in a friend's problem calls for an honest approach. Provide explanations, not excuses. Another friend might be able to offer support for your decision.

PISCES (February 19 to March 20) You find yourself swimming in circles, looking for some way to get back on a straight course. But things get easier once you're able to refocus your energies.

BORN THIS WEEK: You're known for your charm and your wisdom, and there's no one who wouldn't want you to be part of his or her life.
