Salome's Stars

ARIES (March 21 to Apr 19) A suggestion from a colleague on how to work out a problem might not sit too well with you. But before you suspect his or her motives, why not just accept it as a friendly gesture?

TAURUS (April 20 to May 20) An associate might seek your counsel on a workplace dispute with another co-worker. Listen to what she or he has to say, but withhold advice until you've heard the other side of the story.

GEMINI (May 21 to June 20) Use your Twin gifts for creativity and practicality to score points in landing an opportunity that could open doors to a new career. Someone returns after a long absence.

CANCER (June 21 to July 22) Although things are pretty hectic through much of the week, some quiet time with loved ones helps restore balance. An unexpected visitor brings welcome news about a mutual friend.

LEO (July 23 to August 22) Getting used to change isn't always easy for the Big Cat. But make the adjustments gradually, and soon you'll hardly remember when things were any different from how they are now.

VIRGO (August 23 to September 22) Continue to stay the course you've chosen, and avoid distractions that could throw you off track. Some knowledgeable folks are happy to provide guidance if you need it.

LIBRA (September 23 to October 22) Although you earned plaudits from most co-workers for your recent stand on a workplace situation, you also raised the envy quotient among others. Tread carefully for now.

SCORPIO (October 23 to November 21) You feel more positive about that delayed project, and you're ready to pick it up on a moment's notice. However, you might need to re-motivate those who have since lost interest.

SAGITTARIUS (November 22 to December 21) Some welcome news should be coming your way. In the meantime, use that Sagittarius charm to persuade some still-reluctant colleagues that your ideas have merit.

CAPRICORN (December 22 to January 19) Don't wait for a misunderstanding to work itself out. Instead, ask for a chance to explain the circumstances before those bruised feelings lead to an irreversible break.

AQUARIUS (January 20 to February 18) A physical problem should be checked out in order to avoid it going from just being a nuisance to something more serious. Your social life takes an unexpected but not unwelcome turn.

PISCES (February 19 to March 20) Yours might be the wisest sign in the Zodiac. But you still could benefit from the wisdom of a close friend who has suggestions on how to handle a perplexing personal problem.

BORN THIS WEEK: Your passion for doing the right thing inspires others to follow your well-trodden path toward justice.
