Salome's Stars

ARIES (March 21 to Apr 19) You might be tempted to be more assertive when dealing with a job-related matter. But a carefully measured approach works best at getting the cooperation you're looking for.

TAURUS (April 20 to May 20) While others urge you to act now, you instinctively recognize that a move at this time is not in your best interests. You should know when to do so by week's end.

GEMINI (May 21 to June 20) A busy schedule keeps you on the move for much of the week. But things ease up by the time the weekend arrives, allowing you to reconnect with family and friends.

CANCER (June 21 to July 22) Travel dominates the week, and despite some delays in getting to where you want to go, the overall experience should prove to be a positive one in many ways.

LEO (July 23 to August 22) Your Leonine self-confidence comes roaring back after a brief period of doubt and helps you get through a week of demanding challenges and ultimately emerge triumphant.

VIRGO (August 23 to September 22) Virgos who have made a major commitment -- personal or professional -- should be able to tap into a renewed reservoir of self-confidence to help them follow through.

LIBRA (September 23 to October 22) You could soon receive news from a surprising source that could cause you to change your mind about how you had planned to deal with an ongoing job-related problem.

SCORPIO (October 23 to November 21) A surprise move of support from a colleague who has never been part of your circle of admirers helps influence others to take a new look at what you've put on the table.

SAGITTARIUS (November 22 to December 21) While a bold decision to take an "I know what I'm doing" approach impresses some colleagues, it also raises the risk of causing resentment among others.

CAPRICORN (December 22 to January 19) A misunderstanding 'twixt you and a friend might not be your fault at all, despite what he or she suggests. Talk it out to see at what point the confusion might have started.

AQUARIUS (January 20 to Febuary 18))Getting into a community operation fulfills the Aquarian's need to help people. It also can lead to new contacts that might one day help you with a project.

PISCES (Febuary 19 to March 20) A minor problem could delay the start of a long-anticipated trip for two. Use the time to recheck your travel plans. You might find a better way to get where you're going.

BORN THIS WEEK: You are a dedicated romantic who seeks both excitement and stability in your relationships.
