Salome's Stars

ARIES (March 21 to April 19)A rejection of your attempt to be friendly leaves you with two choices: Try again, or give up. If you want to make another effort, go slowly. Let things develop without pressure.

TAURUS (April 20 to May 20) It could be a problem dealing with unfamiliar people who do things differently from what you're used to. But rely on that strong sense of purpose to get you through this difficult period.

GEMINI (May 21 to June 20) To avoid neglecting a personal matter because of a demanding new workplace schedule, start prioritizing immediately. Knowing how to apportion your time takes a little while to set up.

CANCER (June 21 to July 22) It won't be easy to avoid some of the pressures that come with change. Best advice: Take things a step at a time, and you'll be less likely to trip up while things are in a chaotic state.

LEO (July 23 to August 22) A much-talked-about workplace change could be coming soon. Be sure to get all the details involved in the process, and once you have them, you can decide how you want to deal with it.

VIRGO (August 23 to September 22)You might still believe that your trust was betrayed, although the facts would appear to prove the opposite. But by the week's end you should learn something that will help set the record straight.

LIBRA (September 23 to October 22)Holiday plans could be a challenge because of shifting circumstances. But a more settled period starts by midweek, allowing you to firm up your plan-making once and for all.

SCORPIO (October 23 to November 21)The facts continue to be on your side. So make use of them in dealing with any challenge to your stated position. Also, open your mind to the offer of help from an unlikely source.

SAGITTARIUS (November 22 to December 21) There could be a communication problem holding up the resolution of a troublesome situation. Stay with it. Eventually your message will get through and be understood.

CAPRICORN (December 22 to January 19) A possible change in your workplace schedule might create a chaotic situation for a while. But once things begin to settle down, you might find that this could work to your advantage.

AQUARIUS (January 20 to February 18) A recent job-linked decision might need to be reassessed because of the possibility of finding benefits you might have overlooked. Check out all related data to help in the search.

PISCES (February 19 to March 20) A personal situation you agreed to might not be as acceptable to the other person involved in the matter. Avoid pressuring and bullying. Instead, seek common ground by talking things through.

BORN THIS WEEK: You have a gift for touching people's minds as well as their hearts. You would make an outstanding educator.
