

McKendree College is committed to attracting the best and brightest students from Illinois' outstanding community college system and to making its educational opportunity financially accessible to every well-qualified student in the state.

Significant SCHOLARSHIP OPPORTUNITIES are available enabling Illinois community college students to earn a Bachelor's Degree from McKendree College.

McKendree College will provide scholarships valued at \$9,000 per year (\$18,000 over 2 years) to qualified Illinois community college graduates. In addition, assuming that satisfactory academic progress is maintained, McKendree College is committed to insuring that every scholarship recipient will always have their demonstrated financial need met during their four semesters at McKendree. Specifically, when combined with other sources of aid, tuition and fees, and room and board will never exceed a family's ability to pay. (Based upon the free application for federal student aid).

To qualify for a scholarship an individual must have received or will receive an Associate's Degree from an Illinois community college, have at least a 3.0 grade point, be recommended by an Illinois community college, be a resident of the state of Illinois and be admitted to McKendree College.

To apply for admission to McKendree College, an individual can go to the McKendree College website at transfer@mckendree.edu or telephone McKendree College at 1-800-BEARCAT ext. 6831.

Founded in 1828, McKendree College is located 20 minutes east of St. Louis, in Lebanon, Illinois. McKendree offers 40 areas of study to students from all corners of the United States and many international countries.

McKendree College is ranked among the top 12 percent of "Comprehensive Colleges—Bachelor's" in the nation by "U.S. News & World Report." McKendree College also is the only private college in Illinois to be named one of America's 100 Best College Buys®. Engaged students, great teaching, a vibrant community and successful outcomes also have earned McKendree College the designation "College of Distinction."
