

MLDP Student Comments

“ I would highly recommend this course to any other department. Our officers certainly received some excellent training at a very reasonable price.”
Captain, Oswego Police Department

“ I want to emphasize and praise the Management Application Project (MAP) portion of the program. The projects come back to the police agency as completed staff work, which includes options, recommendations and, if a policy needs changing, the policy recommendations are available as a part of the overall study.”
Chief, Aurora Police Department

“ One of the highlights is the interaction with police from the suburban agencies. We find that our problems are the same as the suburban departments, no matter how large or small.”
Lieutenant, Chicago Police Department

“ I strongly believe SLEA’s Management Leadership Development Program has given me the tools and skills needed to survive and thrive in public service as a supervisor and aspiring chief of police.”
Investigator, Rice Lake, WI Police Department

Management and Leadership Development Program

Training For Success

A fresh, affordable alternative

MLDP is a 200-hour course held for five continuous weeks at College of DuPage and/or other locations.

Practitioners and educators who are experts in their area of instruction lead the five-week program.

Personnel administration, budgeting, problem solving and personal growth are all part of the curriculum.

MLDP

The Management and Leadership Development Program prepares new and veteran police supervisors for today's challenging public safety environment. MLDP gives students the tools and skills they need to succeed in positions of greater responsibility.

Developed by the Suburban Law Enforcement Academy (SLEA) at College of DuPage and certified by the Illinois Training and Standards Board, this new program offers:

- An affordable and professional management/supervisory development experience
- Quality training eligible for reimbursement
- Innovative solutions to organizational needs or problems
- Emphasis on adult learning theories
- Convenient location
- Modern classroom and computer lab dedicated to MLDP students

Management Application Projects

As part of the program, students complete an agency pre-approved Management Application Project (MAP) to develop research, communication and presentation skills as they explore real work issues and answers to benefit their respective agencies.

Examples of Management Application Projects completed during MLDP:

- Differential Police Response
- Consolidating Police Services
- Juvenile Diversion Programs
- Implementation of Part-Time Officers
- Automated Reporting of Motor Vehicle Accidents
- Specialty Assignment Application Process

Academic Credits

Students who successfully complete the MLDP receive six academic credits from College of DuPage that may be transferable to other institutions of higher education.

Reimbursement

MLDP is certified by the Illinois Law Enforcement Training and Standards Board and is eligible for reimbursement to officers from Illinois law enforcement agencies.

College of DuPage Homeland Security Education Center • *New home of Suburban Law Enforcement Academy located on the College of DuPage main campus, Glen Ellyn, IL*

COD's new state-of-the-art multi-jurisdictional training center is designed to prepare police, firefighters and other first responders for international and domestic terrorist acts, as well as manmade and natural disasters. The hub of the facility is the 4-D Immersive Interior Training Lab, which enables simulation of urban response force-on-force situations and other emergency scenarios. Additional features include an emergency operations command center designed to instruct National Incident Management System protocols, advanced forensics technology and cybercrimes laboratories, and a lecture hall that also serves as a mock courtroom, complete with a judge's chambers and jury box locations.
