AT&T

Discount: Student discount 10% off qualifying monthly service fees. Ordering online through Premier provides additional benefits, which may include discounted equipment prices, credits or waivers. Access the Premier site at www.att.com/wireless/codstudents. If you put in your zip code, continue, and click on online offers at the top it will bring you to the page stating what promotions and promotional offers are available. Not sure if you're taking advantage of the discount already? Access this link and enter your cell phone number and College of DuPage email address. The primary line on the account is required for the validation process.

<http://www.wireless.att.com/discounts>

What is required: Students can shop for new phones, devices and plans as well as migrate an existing AT&T account to take advantage of the discounts at www.att.com/wireless/codstudents FAN Number: 3802648. You can also visit a retail store to make your purchases, just bring in your College of DuPage ID. To save time, also bring the FAN number with you. There's no activation fee to add the discount. If you are ordering new service or upgrading, standard activation fees apply unless there's a promotional waiver at that time.
