

# CAREERS IN COMPUTERS

The resources listed below are available in the **COLLEGE & CAREER INFORMATION CENTER (CCIC)**, an area at the top of the stairs, upper level of the library. Some titles check out, others are for use in-library only and are so indicated. Below is only a sampling of the many resources available. By browsing the shelves in the Call number areas indicated below, you are sure to find even more helpful books and videos! Don't forget to use the DISCOVER, Horizons CIS and SIGI Plus computer programs, available through Article Databases from the library's home page, for more information about careers and jobs in computing fields.
