

## Education 1101: School Procedures

**Lesson Plan Assignment:** Each student will plan and teach a lesson at a field experience site. The submitted lesson plan will include classroom and lesson background information, the lesson plan, and assessment information. [These directions are found in the course syllabus.]

*The following assignment is given to students to complete after the library instruction session. Students are given time to complete it during the instruction session.*

### **P.D. Poking Around for Lesson Plan Ideas**

Lesson Plan Idea: \_\_\_\_\_

- 1. Locate a total of three (3) unique Off-line and Online Helpful Idea Starters and/or Usable Activities: *activity ideas, lesson organization, worksheets, lesson ideas, bulletin boards, images, background information, etc.* Locate at least one off-line idea.**

**Off-line resources:** books, journals, audiovisual, teacher editions, etc.

**On-line resources:** (include website name and address)

- 2. Each unique Helpful Idea Starter or Usable Activity will include:**
  - A. Citation
  - B. Offline/Online
  - C. Topic
  - D. Grade level
  - E. Why chosen
  - F. Share the complete idea

Include attachments as appropriate.

Each Idea should be on a separate piece of paper.

- 3. This activity can be handwritten. Handwriting must be legible to receive assignment credit.**
