

**Information Literacy and Research Skills for Faculty
Teaching & Learning Center Course
Practice Exercise: C.O.D. Library Catalog**

Your name _____

Answer the following questions. **Make printouts** for your answers and attach them to this sheet.

1. Find three books on your choice of subject. Besides making a printout of each, email one of the records to yourself.
2. Are there any videos on China published after 2005? Choose one.
3. Who wrote *Teaching First-Year College Students*? When was it published?
4. Find a book written by Eleanor Roosevelt.
5. I'm looking for a book that I can't remember the name of or who wrote it. I think it's got the word "cheese" in the title and it's about how change is difficult for people.
6. There's a book in the Reference collection that I've used before, but I can't remember the title. You can look up symptoms you're having and find out what illness or disease you may have.
7. What is the title of the book with the call number HF 1604 .Z4 U643 2007?
8. What is the name of one item on reserve for Biology 1100?
9. Does the Library subscribe to the magazine called *Money*?
10. Go into My Library Account with your C.O.D. library card number. View the items you have checked out. Find out how you can renew your items.

DUE DATE: February 11, 2008
