

**CAREERS IN THE
PHYSICAL SCIENCES**
**Physics, Chemistry,
Earth Sciences**

The resources listed below are available in the COLLEGE & CAREER INFORMATION CENTER (CCIC), an area at the top of the stairs, upper level of the library. Some titles check out, others are for use in-library only and are so indicated. Below is only a sample of the many resources available. By browsing the shelves in the call number area indicated below, you are sure to find even more helpful books and videos! Don't forget to use the career databases and internet sites linked through Jobs/Careers/Colleges from the Library's Home Page at <http://www.cod.edu/library/services/jobscollge.htm> for more information about careers and jobs in the physical sciences. See career guide to engineering for information on careers in general engineering, civil, chemical and other engineering specialties.
