Report Range: 31 May 2009 00:00 - 17 Nov 2009 23:59 (-6)

This section shows the files most downloaded from the site. Values shown do not include failed downloads - It also does not show files which have not been downloaded. Warning Download Managers (for example GetRight) may break a file up in segments and download a few segments at a time inflation the number of file requests.
