

Quarter to Semester Transition Student Planning Worksheets for Associate in Arts, Associate in Science and Associate in Applied Science degrees

Quarter to Semester Transition Student Planning Worksheet information in this handbook applies only to students who plan to complete requirements for the Associate in Arts, Associate in Science or Associate in Applied Science degrees under the 2003-2005 college Catalog.

Worksheets can be used with the Quarters to Semesters Course Equivalency Chart to choose courses converted to meet current and new Fall 2005 requirements. Students should consult a Faculty Adviser, General Adviser or Counselor for transition information about other degrees, or certificates, under the 2003-2005 Catalog.

Quarter to Semester Transition Student Planning Worksheet

Associate in Arts and Associate in Science Degrees

Companion to the 2003-2005 College of DuPage Catalog

General Requirements for All Associate's Degrees

1. Complete at least 64 semester hours of credit in courses numbered 1000 or above (or equivalent) for each degree.
2. Possess a minimum 2.0 (C) average in the combined grade point of all College of DuPage courses numbered 1000 and above (or equivalent) and all courses accepted for transfer from other institutions.
3. Complete a minimum of 20 semester hours of applicable degree credit at College of DuPage with the final 10 hours of credit at the college.
4. Students who break enrollment for more than one full academic year are subject to the degree requirements as stated in the College of DuPage Catalog that is current at the time of re-entry. Students who are covered under a catalog prior to 2003-2005 should consult with an Adviser.
5. Meet the "Constitution" requirement by presenting credit in Political Science 101/1101 or History 256/1130 earned at College of DuPage or earn a satisfactory score on a test on the Constitution of the United States and the Constitution of the State of Illinois, or present a transcript from an Illinois high school specifically stating that the Constitution requirement has been met. Note: Credit earned in Political Science 101/1101 or History 256/1130 through Credit by Demonstrated Competence program does not satisfy the "Constitution" requirement.
6. Earn no more than 4 semester credits from Physical Education activity courses.
7. Only one of the following may count for overall degree credit: Math 128/1428 or 131/1431.
8. Only one of the following may count for overall degree credit: Math 135/1635; Psychology 280/2280; Sociology 205/2205.
9. Earn no more than 42 semester credits by demonstrated competence through the Advanced Placement Program (AP) the subject examinations of the College Level Examination Program (CLEP) and the College of DuPage Proficiency Through an Instructor Program.
10. File a Petition for a Degree at least one term before the anticipated completion date.
11. Satisfy all financial and other specific requirements.
12. Be in good standing at the time final credits for the degree are earned.

Additional Associate in Arts and Associate in Science Degree Requirements

1. A maximum of 10 semester credits in courses from the Occupational/ Technical category may apply to the degree.
2. All General Education Core Curriculum courses must be taken with a letter grade.
3. No more than 6 semester hours in History in the Humanities and Social/Behavioral Sciences categories combined may apply toward General Education requirements. Additional credits in History may be earned as General Elective credit.
4. Earn no more than 16 semester credits in courses numbered 188/1800, 288/2800, 198/1840, 298/2840, 190/1820, 290/2820. Speech 100 must be taken Summer of 1998 or later. Speech 1100 will be the semester equivalent course starting in Fall 2005.
6. Earn no more than 12 semester hours of additional coursework credit on a satisfactory/fail basis.
7. Earn additional coursework credits in courses that normally apply to a bachelor's degree as indicated on transfer guides.

Associate in Arts (AA) and Associate in Science (AS) Degree Requirements

Associate in Arts (AA) Degree Requirements

This degree is designed for students who plan to transfer to a baccalaureate-granting school to pursue a bachelor's degree in a liberal arts area or in a business area. **Semester credit requirements shown below are minimums. Any credit earned above the minimum will be applied toward credit hour total.**

General Education Core Curriculum	37
Communications	8
Science	7
Mathematics	3
Humanities/ Fine Arts	9
Social and Behavioral Sciences	9

Complete additional coursework to Total Minimum of 64 Semester Credits.

Associate in Science (AS) Degree Requirements

This degree is designed for students who plan to transfer to a baccalaureate-granting school to pursue a bachelor's degree in science or a science related field. **Semester credit requirements shown below are minimums. Any credit earned above the minimum will be applied toward credit hour total.**

General Education Core Curriculum	37
(same as AA degree requirements above)	
Additional Math/Science	10
Life or Physical Science	7
Mathematics	3

Complete additional coursework to Total Minimum of 64 Semester Credits.

64 SEMESTER CREDITS MINIMUM REQUIRED FOR ANY ASSOCIATE'S DEGREE.

*This worksheet is only a planning tool.
Official evaluation is done by the Records office.*
