

College of DuPage
Year Round Pell Policy

Beginning with the 2009-2010 academic year, students may be eligible for up to two scheduled Pell awards per year. For the summer of 2010, the College of DuPage will pay the Pell Grant as a trailer of the 2009-2010 academic year and will utilize the 2009-2010 Pell Grant Payment Schedule. If students use their first scheduled award and enroll in a minimum of six credit hours for the 2010 Summer semester, they may be eligible for a second scheduled award. Students must continue to meet the "Minimum Academic Requirements for Financial Aid" in order to receive the Pell Grant.

Beginning with the 2011 Summer semester, College of DuPage will consider the term to be a "cross-over" payment period and will disburse Pell Grant funds from the 2010-2011 or 2011-2012 whichever will provide the largest scheduled award. Appropriate Federal regulations will govern the disbursement of funds in conjunction with the appropriate academic progress standards.
