**Satisfactory/Fail Option**
The instructor retains the prerogative to determine whether the “Satisfactory/Fail” option is applicable to the course. All students desiring the “Satisfactory/Fail” option must sign an agreement with the instructor confirming the use of the “Satisfactory/Fail” grading option. Grade option forms will be submitted to the Records office by the instructor at least one week prior to the end of the term. Grade options will not be changed after they have been sent to the Records office. The satisfactory or “S” grade will not be computed in the GPA; the fail or “F” grade will be computed. Students seeking a degree should review their degree requirements to determine if a course graded under the S/F option will count towards graduation.

**Incomplete Grade Policy**
Upon the request of a student, the instructor may give an incomplete or “I” grade when a student has been unable to complete the course within the prescribed time for some unavoidable reason. A substantial portion of the course must be completed to qualify for an “I” grade. The student is responsible for contacting the instructor regarding course completion. The “I” grade may be changed within the time limits established by the instructor.
