PHYSICAL EDUCATION 2253
CPR Training
1 credit hour

This is an information sheet only, not the course syllabus.

COURSE DESCRIPTION
Cardiopulmonary resuscitation (CPR) for adult, child and infant. Automatic external defibrillator (AED) training. (2 lab hours)

Instructor Note: Designed to meet the requirements for the American Red Cross CPR for the Professional Rescuer Certification. Students may choose to take the non-certification option. The non-certification option requires the student to submit a paper on a CPR related subject instead of coming to campus and taking the final skills exam.
