CODE OF ACADEMIC CONDUCT (ADMINISTRATIVE PROCEDURES 20-41)

As members of the College of DuPage Community, we have expectations of both faculty and students. Thus, there must be a shared commitment to the highest standards of learning. Faculty and students have mutual responsibility for establishing a clear understanding of the importance of honest academic behavior and for practicing the College of DuPage values of Integrity, Honesty, Respect, and Responsibility. Together we envision a positive learning environment that promotes the open exchange of ideas by practicing civility as defined in the Code of Student Conduct and ethical learning behaviors as defined in the Code of Academic Conduct.

Violations and Sanctions

Violations of the Code of Academic Conduct are activities (observed or reported) or materials that are deceitful and dishonest. Violations of the Code will be reported and determined in accordance with the processes described in the procedures relating to academic integrity. Sanctions for violations of the Code will be based upon the nature of the violation and may include any of the sanctions in the procedures relating to academic integrity.

Responsibilities of Students and Faculty

The objective of the Code of Academic Conduct is to sustain an environment in which students recognize and demonstrate the importance of being accountable for their academic behavior:

Students have the responsibility to:
   • Become fully knowledgeable of the Code of Academic Conduct;
   • Produce their own work;
   • Encourage honesty and integrity among their fellow students.

Faculty members have the responsibility to:
   • Review classroom expectations with respect to all aspects of academic honesty;
   • Describe those expectations clearly in the class syllabus;
   • Inform the student directly of any charges of academic dishonesty;
   • Refer students to the Dean of Students in a consistently applied manner.

Definitions—Behaviors Covered by the Code of Academic Conduct

As members of the College community, students are expected to refrain from academic dishonesty in all forms, including, but not limited to:

Cheating – copying or attempting to copy from another student in any work submitted for evaluation, whether tests or assignments; intentionally using or attempting to use unauthorized materials, information, or study aids; use of any unauthorized assistance, resources, materials or electronic/cellular devices with or without photographic capability in taking quizzes, tests or examinations; altering graded work after it has been returned, then submitting the work to be re-graded.

Plagiarism – the reproduction of ideas, words or statements of another person as one’s own without acknowledgement, or use of an agency engaged in the selling of term papers or other academic materials.

Unauthorized Collaboration – intentionally sharing or working together on an academic exercise when such actions are not approved by the course instructor.

Furnishing False Information – intentional and unauthorized falsification or invention of any information or citation furnished to any College official, faculty member or office; misuse of identification with intent to defraud or deceive.

Facilitation of Academic Dishonesty – permitting or attempting to help another violate the Code of Academic Conduct; alteration or sabotage of another student’s work, such as tampering with laboratory experiments.

Abuse of Academic Materials – Destroying, stealing, or making inaccessible library, laboratory or other academic resource material, or attempting to do so; stealing or otherwise obtaining advance copies of
placement tests; the acquisition, without permission, of a test or other academic material belonging to College of DuPage, to any department, or to any staff member; duplicating copyrighted software without authorization or using such software on College computers; “hacking” on College computers or installing “virus” programs.

**Bribes, Favors and Threats** – Bribing or attempting to bribe, promising favors to, or making threats against, any person with the intention of affecting an evaluation of a student’s academic performance; conspiring with another person who then performs one of these acts on one’s behalf.

**Complicity in Academic Dishonesty** – Helping another commit an act of academic dishonesty, especially providing material or information to another person with knowledge that this will be used deceitfully in an academic evaluation activity; permitting one’s own work to be submitted by another person as if it were that person’s original work.

**Falsification of Records and Official Documents**
Alterating transcripts, grade reports or other documents affecting academic records; forging a signature of authorization or falsifying information on any academic document, such as permission forms, petitions or other documents.

**Personal Misrepresentation and Proxy** – Taking another person’s place in an exam, placement test or other academic activity, either before or after enrollment; having another person participate in an academic evaluation activity or evaluation in place of oneself.

**PROCEDURES FOR VIOLATIONS OF THE CODE OF ACADEMIC CONDUCT**

**A. Discovery of Irregularity**
As part of their responsibilities, faculty members must make judgments about the academic performance of their students, with due regard for established standards of scholarship. During this process, a faculty member may discover that a student’s activity or the material a student has submitted contains irregularities that appear to be violations of the Code of Academic Conduct. (If no faculty is directly involved, such as in the Testing Center, the person who discovers the irregularity will notify their unit administrator, who will then be responsible for executing the Code of Academic Conduct duties normally assigned to the faculty member involved.)

**B. Notification to Student of Discovery of Violation(s) of the Code of Academic Conduct**
When an irregularity is discovered, the faculty member will notify the student as promptly as reasonably allows, either orally or electronically, and will by means of this notification provide the student with a timely opportunity to meet and discuss the irregularity.

**C. Initial Meeting with Student**
At this meeting, the faculty member will determine whether or not an irregularity actually occurred. If so, the faculty member will then determine whether the situation is appropriately resolved by further instruction, in which case it becomes a learning opportunity, or if the alleged violation requires further investigation and a possible sanction. At the conclusion of the meeting, or as soon thereafter as reasonably possible, the faculty member will inform the student of his or her determination.

**D. Learning Opportunity**
A faculty member may determine a violation has occurred but is unintended, e.g., the result of the student’s misunderstanding of the assignment or ignorance of research conventions. Rather than invoke the Code of Academic Conduct Violation procedure, the instructor may use the opportunity to advance the student’s learning by requiring a corrected version of the work in question. In such a case, the instructor may grade only the final product and may not impose any sanction.

1. Learning Opportunities are to be settled between the faculty member and the student. No report to either the Division Associate Dean or the Dean of Students is necessary.

2. If the student refuses the Learning Opportunity procedure, he/she must be informed that, in consequence, the instructor may choose to file a complaint alleging academic dishonesty with the Dean of Students.

**E. Informal Faculty Resolution of the Complaint**
Instances when a Code of Academic Conduct violation occurs which would result in a sanction no greater than failure of the assignment or test, and for which the student accepts responsibility, the faculty member and the student may resolve the complaint between them by:

1. Discussing the violation.

2. If the faculty member is confident that the student understands and acknowledges that he/she did something wrong and the student is willing to
accept the sanction considered appropriate by the faculty member (failure on the assignment; failure on the test; completion of an alternative assignment; or failure for the course), the matter can be resolved between the faculty member and the student.

3. The faculty member then fills out the Academic Dishonesty form indicating the matter will be recorded in the Judicial Database, but no further action is required, which is then signed by both the faculty member and the student.

4. Copies of the form are kept by the faculty member, given to the student, the Division Associate Dean, and the Dean of Students.

5. If the Dean of Students’ office determines the student has been responsible for prior violations, the matter may be referred for a formal hearing.

F. Formal Resolution of the Complaint

In instances when the student denies complicity in an act of academic dishonesty or when prior methods to bring the issue to closure were not effective, a student must be afforded the due process of a Formal Judicial Hearing.

1. Determination of the need for a Formal Judicial Hearing
   a. If, after talking with the involved student, the faculty member determines the situation involves an apparent Code of Academic Conduct violation for which the student denies responsibility or for which a sanction greater than 1) failure in an assignment; 2) failure on a test; 3) completion of an alternative assignment; or 4) failure in the course may be warranted, the faculty member will confer with the Division Associate Dean to determine if a Formal Judicial Hearing is appropriate.
   b. If the need for a Formal Judicial Hearing is determined, the faculty member will complete the portion of the Academic Dishonesty Complaint form which requests a Formal Judicial Hearing by the Dean of Students or designee. The report will describe the violation and include all relevant backup material.

2. Notification to student of a Formal Judicial Hearing
   a. In preparation for the Formal Judicial Hearing, the Dean of Students will review the student’s file to determine if this is a first offense.
   b. The Dean will place the student’s registration on temporary hold, so that the student can neither withdraw from the course in question nor register for future courses until the current matter is settled.
   c. The Dean will notify the student in writing that the complaint has been filed (enclosing a copy of the Academic Dishonesty Complaint form completed by the instructor and the Code of Academic Conduct Policy and Procedure) and require the student to attend a Formal Judicial Hearing with the Dean or designee.
   d. If the student fails to attend the Judicial Hearing or if the student does not respond to the Hearing notice, the student registration record will remain on hold until the matter has been formally resolved.
   e. If the process cannot be completed before the end of the term, the instructor may be directed to assign the student an Incomplete (I) in place of a grade for the course, to be changed when the matter is resolved.

3. Formal Judicial Hearing

During the hearing, the Dean of Students or designee will review both the complaint and the Code of Academic Conduct procedures with the student to ensure the student understands them clearly and is aware of the possible consequences.

   a. The student will have an opportunity to present evidence and/or make statements in his/her behalf.
   b. At the conclusion of the hearing, if the student now agrees that he/she was involved in a violation of the Code of Academic Conduct, the Dean or designee will complete the Judicial Hearing Outcome Form, assigning the appropriate sanction(s), which may include completion of learning modules from the College of DuPage Library Workshops.
   c. In the event the student has been found at fault in an earlier incident involving academic dishonesty, the Dean or designee will determine whether a greater degree of sanction is appropriate.
   d. If the Dean or designee has determined that no academic dishonesty has taken place, no sanction will be assigned. The student will then have the option of completing the class; transferring to another section of the same class, if that is possible; or withdrawing from the class.
   e. The hold will be removed from the student’s record. In cases where the student is required
to complete a Library Workshop, the hold will be removed upon notification that has been completed.

e. The student should understand that a record of the judicial proceedings will be kept on file for a period of three years.

f. At this point, notice of academic dishonesty will not be recorded on the student’s transcript. However, should the student require a transfer application to another institution or apply for an honor or award, which require disclosure of the student’s academic honesty, if it is within the three-year period, such academic dishonesty will be disclosed.

g. At the conclusion of the Formal Hearing, the student will be handed a Hearing Outcome Form which clearly states the sanction(s) imposed. The student will be required to sign and date the form. The original signed copy will be given to the student; the other copy will become part of the student’s file. Outcome information on this form will be shared with the faculty member making the original complaint, the associate dean in that area, and be added to the Judicial Database.

h. A follow-up letter will be sent to the student reiterating the charge and the sanction(s).

4. Formal Hearing Outcome

At the conclusion of the Hearing, if the Dean or designee determines that a violation of the Code of Academic Conduct has occurred, one or more of the following sanctions will be administered, based upon the Dean’s or designee’s judgment concerning the nature of the violation.

a. Sanctions—Definitions

1. Disciplinary Warning: A notice in writing stating the student has violated the Code of Academic Conduct.

2. Disciplinary Probation: A reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is again found to be in violation of the Code of Academic Conduct during the probationary period.

3. Disciplinary Loss of Privileges: Denial of access to privileges commonly available to applicants, students and alumni of College of DuPage. These may include, but are not limited to access to particular student employee positions on campus, access to the Library, access to computer facilities, access to career and placement services, access to scholarships, access to academic honors, participation in clubs, organizations, athletics or campus activities. This denial may stand alone, it may accompany suspension, and it normally accompanies extended suspension.

4. Withdrawal from Class: Administrative withdrawal from a class or classes in which a student is enrolled for the current and/or subsequent semester. Administrative withdrawals do not provide for the refund of tuition and fees.

5. Limited Access: Administrative restriction to selected areas/locations of College facilities.

6. Disciplinary Suspension: Denial of permission to register for academic work at College of DuPage for a designated period of time, usually not more than one year. Conditions for readmission will be specified by the Dean or designee.

7. Extended Disciplinary Suspension: Dismissal from College of DuPage for a designated period of up to five years: students under this sanction must petition the Dean of Students for readmission to College of DuPage.

b. Sanctions for Course Violations

In the case of a violation occurring in a College course, in most cases, a student will be placed on disciplinary warning or probation and may be assigned one or more of the following:

1. An “F” grade for the activity in which the violation occurred.

2. An “F” grade for the course in which the violation occurred and immediate dismissal from the course.

3. Placement on disciplinary suspension for at least one semester, either: a) the semester in which the violation occurred, or b) the semester following the violation.

4. Placement on extended disciplinary suspension from the College with a letter attached to the transcript indicating the student has been found to have violated the Code of Academic Conduct. This letter will remain in the student’s file for up to three years as determined by the Dean of Students or designee; the students must petition the Dean of Students to be re-admitted.

5. Disciplinary Loss of Privileges.
6. A project to help make reparation to the community and demonstrate that learning has occurred.

c. Sanctions for Assessment Test Violations

In the case of a violation occurring during an assessment test, in most cases, the student or student applicant will be placed on disciplinary probation, will be required to take all future assessment tests under supervision in the Testing Center, and may:

1. Be limited in registering for the next term to only the course(s) indicated by the new placement scores(s).
2. Be required to take the course(s) indicated by the new placement test score(s) in addition to any others in the next term’s schedule.
3. Be restricted from registering for any College of DuPage courses for a semester or longer, as determined by the Dean of Students or designee.
4. Be immediately withdrawn from any courses in which he or she might be enrolled currently, without refund of tuition or fees.
5. Be immediately withdrawn from any courses in which he or she might be enrolled currently, with a letter attached to the transcript indicating that the student has been found to have violated the Code of Academic Conduct. This letter will remain in the student’s file for a minimum of one year and a maximum of three years, as determined by the Dean of Students or designee.
6. Be placed on extended disciplinary suspension from the College with a letter attached to the transcript indicating the student has been found to have violated the Code of Academic Conduct. This letter will remain in the student’s file for up to five years, as determined by the Dean of Students or designee; the students must petition the Dean of Students to be re-admitted.
7. If not a student at the time of the violation, be prevented from taking classes at College of DuPage for up to five years, and required to petition the Dean of Students to be admitted or re-admitted.
8. In addition to, or instead of, any of the above, be subject to Disciplinary Loss of Privileges.

d. A student may be required to participate in counseling, educational seminars or seek medical attention in lieu of, or in addition to, the imposition of sanctions.

e. More than one of the sanctions listed above may be imposed for any single violation.

f. Integrity violations which occur independent of a course or testing situation may have any of the preceding sanctions applied.

g. Other than College suspension, disciplinary sanctions will not be made part of the student’s permanent academic record; however, they will become part of the student’s confidential record maintained by the Dean of Students.

Discipline Records

Except as specified above, disciplinary sanctions will not be made part of the student’s permanent academic record, but will become part of the College of DuPage Judicial Database and the student’s confidential record maintained by the Dean of Students’ office. Ordinarily, cases involving the imposition of sanctions will be expunged automatically from the student’s confidential record three years after final disposition of the case, except when the Dean of Students or designee has stipulated otherwise or the student has been placed on extended disciplinary probation for up to five years.

Appeal Rights and Process

A standing Judicial Review Board (described in Board Procedure 20-35) will hear cases and make recommendations on appropriate disciplinary cases referred to it by the Vice President of Student Affairs. If, through a hearing, there is a finding that a student has violated the Code of Academic Conduct and sanctions have been imposed, that student has the right to appeal the finding(s) or sanction(s) or both.

A student who wishes to appeal the outcome of the hearing must do so within two business weeks of the date on the Hearing Outcome Form received from the Dean of Students or designee.

The appeal must be addressed to the Vice President of Student Affairs; it must be typewritten; and must state the grounds for appeal. If the student wishes to appear in person before the Judicial Review Board, this must be indicated in writing in the appeal letter. The Vice President of Student Affairs will arrange a meeting convenient to all parties.

In the event of an appeal, the decision(s) of the Judicial Review Board as relayed by the Vice President of Student Affairs will be final. In the event the student does not appeal within the required two-week period, the decision of the Dean of Students or designee will be final.

Programs to prevent dating violence, sexual assault, and stalking include both primary prevention and awareness programs directed at new, incoming students and new employees and on-going prevention and awareness campaigns directed at continuing students and all employees/

Ongoing prevention and awareness campaigns are programming, initiatives and strategies that are sustained over time and focus on increasing
understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault and stalking, using a range of strategies with audiences throughout the college.

Primary prevention programs are programming, initiatives, and strategies informed by research or assessed value for effectiveness or outcome intended they are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutual respectful relationships and sexuality, encourage safe bystander intervention and seek to change behavior and social norms.

Risk educations are options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and help to individuals.

**Awareness programs:** College-wide or audience specific programming, initiative, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce perpetration.

**Bystander intervention:** Safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene, when there is a risk of dating violence, domestic violence, sexual assault, or stalking.

**HOW TO BE AN ACTIVE BYSTANDER**

Bystanders play a critical role in the prevention of sexual and relationship violence. COD wants to promote a culture of community accountability where bystanders actively engaged in the prevention of violence without causing further harm. If you, or someone else is in immediate danger on main campus, dial 2000 or 911 at one of the College Regional Centers.

Bystander intervention educational opportunities have been made available students online and through student organizations. Each spring, Alter Ego Productions (AEP), a student organization brings a performance group on-campus to promote an awareness of sexual misconduct. Materials have been provided by Student Life for all students, “Not on My Watch”. In collaboration with Human Resources, Student Affairs and the Police, the college continues to update and expand procedures, training materials for students and employees to become more familiar with opportunities for awareness and prevention.

College of DuPage recognizes that there are many ways to perpetrate sexual violence. Incidents may occur through physical force, intimidation, manipulation and coercion. This may include the voluntary or involuntary use of drugs and/or alcohol that renders the survivor unable to give consent. Sexual offenses can occur within personal relationships, including those that are intimate, professional, familial, or friendly. In fact, sexual offenses involving strangers constitutes only a small percentage of cases. Individuals of any sex, sexuality, or identified gender may experience a sexual offense. It is important to remember that there is nothing a person can do it to deserve or provoke a sexual offense. A student may choose to pursue Board Policy 20-35: Code of Student Conduct with respect to sexual violence. Upon request, the Dean of Students may accommodate changing classes and arranging for escorts. In accordance with Board Policy 20-35: Code of Student Conduct, the College will take reasonable steps to notify complainants in writing of outcomes and sanctions.

**Sexual Offense Definition:** A sexual offense is any unwanted physical contact of a sexual nature, whether by an acquaintance or by a stranger, that occurs without indication of consent of either/any of the individuals involved, or that occurs under threat or coercion. Sexual offenses include, but are not limited to, rape (also referred to as sexual assault in the State of Illinois), forcible sodomy, sexual assault with an object, fondling or kissing without consent, incest, statutory rape, and the threat of sexual assault. College of DuPage recognizes that there is nothing a person can do to deserve or provoke a sexual offense. According to the Department of Justice and the FBI, rape is defined as “The penetration by a sex organ of another person, without the consent of the victim.” This definition includes any gender o the victim or perpetrator, and includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity, including due to the influence of drugs or alcohols or because of age. Physical resistance from the victim is not required to demonstrate lack of consent.

Consent is defined as clearly and freely given word or overt action confirming a willing desire to move forward with a specific sexual request, act or experience. Consent cannot be obtained from individuals who have a temporary or permanent mental or physical incapacity, including being under the influence of drugs or alcohol or because of age. Consent is an affirmative response, not a lack of one, (i.e. the absence of “no” should never be interpreted as “yes”).

**College Policy:** Sexual offenses, the threat of sexual offenses, sexual assault, dating violence, domestic violence and stalking are prohibited by College of DuPage. See Board Policy 15-11 and Administrative Procedure 15-11 Prohibition of Sexual Misconduct and Harassment for more information.

When a report is received, internal and external options will be reviewed with the student, including contacting the College of DuPage Police; getting medical treatment; contacting community sexual assault agencies; starting Board Policy 20-35: Code of Student Conduct, and connecting with College of DuPage Counseling Services or off-campus counseling services.

The college has developed resource guides in print.
and online which are made available to students and employees who report being victim of sexual assault. The Title IX Resource Guide has providers contact information, what to do and say, and written explanation of a victim’s right and options.

**Medical Treatment:** A person who has experienced a sexual offense is encourage to see an appropriate medical evaluation as promptly as possible. The medical evaluation may include treatment of injuries endured during the event; treatment of sexually transmitted infections and a full examination for the collection of physical evidence should a person later decide to pursue a criminal prosecution and/or civil action. Additional resources may be available at the time of treatment.

**Information, Support and Counseling:** Counseling is available of survivors (whether or not a report is filed) and provides an option for confidential disclosure. Survivors may experience Rape Trauma Syndrome, with symptoms similar to those of Post-Traumatic Stress Disorder. This condition may be serious and should be treated with respect and sensitivity. Sexual violence can affect all areas of a survivor’s life and counseling can provide support to help navigate through issues that may arise.

**SANCTIONS**
The following sanctions may be imposed following a final determination of an institutional disciplinary proceeding regarding rape, acquaintance rape, and other forcible or non-forcible sex offenses. More than one of the sanctions listed may be imposed for any single violation.

NON-DISCRIMINATION GRIEVANCE PROCEDURE (STUDENT COMPLAINT PROCEDURE)
College of DuPage acknowledges that a student or group of students may have a difference of opinion with regard to policies, practices and procedures of the College. Assurance is given by the Community College District 502 that should genuine grievance arise, students adhering to the following procedures have the right to a hearing and resolution of complaints in a promote and fair manner without fear of retribution.

The Grievance/Student Complaint Procedure is not intended to limit the options of the College or of a student or group of students, but to resolve any difference mutually and informally.

Types of Complaints
Students may file a complaint for the following allegations:
- Academic regulations
- Privacy
- Administration of College of DuPage policy, practices, or procedures.
- Disciplinary charges
- Complaints about treatment of students by college employees (Filing a Complaint Against a College Employee)
- Discrimination because of race, color, creed, sex, sexual orientation, disability or national origin in regard to programs, courses, activities, facilities, financial aid, or student employment
- Sexual harassment
- Disabilities accommodations

Filing a Complaint against a College Employee
Every attempt will be made to resolve a complaint informally at the point of origin (instructor, counselor/advisor, staff person or person responsible for the area concerned). The procedures are listed in sequence as follows. The student can request support from the Dean of Students or the support person of his/her choice in the process:
- Within 20 school days of the situation, the student contacts with the individual or group with whom he/she has a complaint, in an attempt to resolve the issue.
- If there is no resolution of the issue, the student forwards the complaint in writing to the supervisor of the individual named in the complaint. The incident or situation should be described as specifically and completely as possible. A statement of the relief necessary to resolve the situation must be stated. It is the responsibility of the student to provide sufficient and tangible documentation or evidence to support his/her allegation.
Because the complaint involves college employee, the supervisor should consult with the Manager of Employee Relations in Human Resources to ensure that the interface between the students’ right to a hearing of his/her complaint is balanced with the employee’s contractual protections. The supervisor must respond to the student within 10 school days. Responses may include investigation and dismissal of the charge, mediation, discipline, or other. Confidentiality of personnel records prevents the outcome being reported to the complainant in most cases.

**Filing a Complaint against a Student**

Any member of the college community may file charges against any student for misconduct. A charge involving a student must be filed in writing with the Dean of Students within twenty (20) days of the alleged incident. Official incident reports from the College of DuPage police detailing on campus incidents may be considered as complaints. The Dean of Students must also notify the student accused of the infraction.

The Dean of Students (or designee) will make a preliminary investigation of the charge or the complaint to determine if the charges have merit and/or if they can be disposed of by mutual consent of the parties involved on a basis acceptable to the Dean of Students. If the charges cannot be disposed of by mutual consent, the Dean of Students may, after investigation, decide to warn and inform the student(s) involved, dismiss the charge, or call for a hearing.

Either party, the complainant or the accused, may waive the investigation and go directly to a hearing. The Dean of Students will inform the person accused of the investigation decision in writing either in person or by certified mail. A student may appeal the decision of the investigation and request a hearing.

**STUDENT COMPLAINT PROCESS**

It is the goal of the College of DuPage that any disagreements be discussed and resolved in a professional manner. When appropriate, attempts should be made to resolve the issue informally with the individual or department directly involved. If an issue or problem still exists, the following formal complaint process should be followed. All formal complaints must be put in writing using the online Student Complaint Form.

**NOTE:** The Student Complaint Form does not apply to grade appeals; tuition appeals; violations of the Code of Student Conduct or Academic Conduct; or violations of discrimination, harassment and sexual harassment. Please refer to Student Rights and Responsibilities for procedures regarding these types of concerns or submit a Student Concern/Incident Report.

**Student Complaint Process**

When appropriate, attempt to resolve the issue informally with the individual or office involved.

1. If the situation remains unresolved, complete and submit the online Student Complaint Form.
2. The completed form will be automatically forwarded to the Vice President of Student Affairs who will then disseminate the complaint to the appropriate college official.
3. The responsible college official will first investigate the complaint by interviewing the complainant and other involved parties. A written response (hard copy or email) will be sent to the student and the Vice President of Student Affairs within five days of receiving the complaint.

In the event that the complaint remains unresolved, the complainant may contact the Vice President of Student Affairs who will investigate and provide a written response to the appropriate individuals. All formal complaints will be monitored to ensure action has been taken. A copy of the final resolution of any formal complaint will be forwarded to the Vice President for Student Affairs where a record of all formal student complaints will be retained. To complete a formal student complaint process go to cod.edu/counseling/ dean_of_students/student_complaint_process.aspx

**STUDENT CONCERNS AND GRIEVANCES**

Students who have concern about an issue that adversely affects them or someone else or feel their rights have been infringed upon by the enforcement of policies and regulations may through appropriate channels, work to resolve such problems. Procedures outlining the process can be obtained by contacting the Dean of Students’ office at (630) 942-2485.

Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Some designated parking areas require a parking permit. There is a 20 m.p.h. speed limit on all the entrance drives and roads around the campus and a 10 m.p.h. speed limit in all parking lots. Penalties for parking violations range from $15 to $250. Fines may be paid by mail or in person to the Cashier’s Office. To appeal a traffic citation, one must file a form with the Cashier’s Office or go to the COD Police website within five days of issuance.

Admissions, Registration and Financial Aid
REGISTRATION SERVICES
The Office of Student Registration Services provides a wide variety of enrollment services to support students with the registration process at College of DuPage. Registration staff members are available to assist students with course registration after a student has completed the admissions application and received assistance with course selection.

The Office of Student Registration Services provides assistance with registering for credit classes, switching courses and sections, late registration, waitlist options for closed courses, auditing a class, withdrawing from a course and changing a residency status. Registration Services is also responsible for handing Late Registration Appeals, Late Withdrawal Appeals, Medical Withdrawal Appeals, Tuition Appeals Due to Extenuating Circumstances, Cooperative Agreements and Company Sponsorships.

Options to Register:
When eligible, students may register in one of four ways:

1. **Online Registration** ([myaccess.cod.edu](http://myaccess.cod.edu))
   To select your courses and register online, an individual must be an admitted or returning student in good academic standing with a myACCESS username and password.

2. **In-Person**

4. **Using the Chap App**
   Students with a myACCESS username and password may register for classes using the mobile device application available in either Android or iOS platform.

College of DuPage does not allow course registration via e-mail; however, a student can e-mail the Office of Student Registration Services at registration@cod.edu with inquiries.

Returning Student Registration
Returning students will be eligible for priority registration based on the number of credit hours the student has successfully completed at College of DuPage. Priority is given to those students with a higher number of completed hours. Priority registration does not include transfer credits or demonstrated competency credits.

To check the number of completed College of DuPage credit hours:
1. Go to [myaccess.cod.edu](http://myaccess.cod.edu).
2. Log in to your account.

The returning student registration dates will be listed online at [www.cod.edu/registration](http://www.cod.edu/registration) and in the most current Class Schedule.

Students can contact the Office of Student Registration Services at (630) 942-2377 or via e-mail at registration@cod.edu with any questions.

New and Transfer Student Registration
Registration for new and transfer students who have never attended College of DuPage will begin the day after returning student registration ends.

The new student registration date will be listed online at [www.cod.edu/registration](http://www.cod.edu/registration) and in the most current Class Schedule.

Students can contact the Office of Student Registration Services at (630) 942-2377 or via e-mail at registration@cod.edu with any questions.

Payment Policy
All students are required to pay their tuition and fees at the time of registration. Students may pay by cash, check or credit card. Students unable to pay in full must enroll in a convenient Payment Plan. Students receiving financial aid (i.e., grants and loans) must enroll in the College’s deferred payment plan. Direct links to these payment options are found online at [cod.edu/tuition](http://cod.edu/tuition).

Credit Class Registration Deadlines
Students are encouraged to register early. The deadline for a student to register for a credit course without requiring a Registration Permit for Late Enrollment from the instructor will be the first day of class. This includes 16-Week, 12-Week, 10-Week, 8-Week and 5-Week classes. For example, if the first day of class falls on a Monday, a student may register for this specific class until 11:59 p.m. on that same Monday. If the first day of class is on a Wednesday, a student may register for this specific class until 11:59 p.m. on that same Wednesday.
Exceptions to this rule are custom courses or courses with required safety training, licensure, accreditation or mandatory seat hours for legal reasons. Students can visit myaccess.cod.edu to view start and end dates for all credit courses.

**Late Registration**

Students who want to register late for a course after the first day of class must request a Registration Permit for Late Enrollment from the assigned instructor. Issuance of a Registration Permit for Late Enrollment is up to the instructor’s discretion.

**Options to Request a Registration Permit for Late Enrollment:**

1. Students can log into myACCESS and select “Request a Permit” located under the Registration heading. Note: This option is only available until the 10th instructional day of class.
2. Students can locate the instructor’s e-mail address in myACCESS and e-mail the instructor directly to request a permit.

Once a permit has been issued, it is the student’s responsibility to immediately register for the class since a Registration Permit for Late Enrollment is only valid for one (1) business day after the issuance date. A $10 late registration fee will be charged for each class that requires a Registration Permit for Late Enrollment. Students are expected to take full responsibility for making up any missed coursework associated with a late registration. A Registration Permit for Late Enrollment cannot be issued and will not be valid after the midterm of a class.

**Waitlist for Full Classes**

Credit courses are subject to a capacity of students allowed to register for a course. When a class has reached that capacity, it is considered full. Students who want to register for a class that is full will have the opportunity to be added to a waitlist for that course. Students can visit myaccess.cod.edu to view the course capacity, seats available and number of students on the waitlist. A student may select the waitlist option when registering through myACCESS or by calling (630) 942-2377.

After a student is added to a waitlist, they will be notified if and when a seat becomes available. The student will receive a notification via their College of DuPage (@dupage.edu) email account and will have until 11:59 p.m. that day to register for the open seat via myACCESS. If the student does not register for the open seat before 11:59 p.m. the same day, the student will be removed from the waitlist and the next student on the waitlist will be notified. If the student misses the opportunity to register and wants to be placed back on the waitlist, the student will be placed at the bottom of the waitlist. It is the sole responsibility of the student to check their e-mail to receive waitlist notifications.

The waitlist option will remain active through the first day of the course for all sessions excluding custom courses or courses with required safety training, licensure, accreditation or mandatory seat hours for legal reasons. After the first day of the course, a student may request a Registration Permit to Overload a Full Class from the instructor to join the course. Overloading a course is up to the instructor’s discretion and an instructor may only issue a Registration Permit to Overload a Full Class after the first day of the course. The instructor can send the Registration Permit to Overload a full class by e-mail directly to the Office of Student Registration Services and it will only be valid for 1 business day after it is issued.

Students can either register for an open section of a course or be added to a waitlist for a full section of the same course. If a student registers for a different section of the same course, they will be dropped from the waitlisted section. For example, if a student is added to the waitlist for English-1101-001 and then registers for English-1101-007, the student will be removed from the English-1101-001 waitlist.

For more information on the waitlist options, students can call the Office of Student Registration Services at (630) 942-2377 or e-mail registration@cod.edu.

**Auditing a Class**

Auditing a course allows a student to take a class without the benefit of a grade or credit for a course. College of DuPage students may choose to audit a course. A student auditing a course will not be considered enrolled in that course for purposes of financial aid, standards of academic progress, or athletic eligibility. The final grade for the course will be shown on the official transcript as an audit with the letter grade of “X.” The audit grade of “X” earns no credit, it will be not applied to a degree or certificate and it does not affect the grade point average.

Intent to audit a class must be indicated at the time of registration via myACCESS, over the phone or in-person at the Office of Student Registration Services. The tuition per credit hour for auditing a course is higher than the standard credit hour tuition. If a student wishes to audit a course that has already started, the student will need to request a Registration Permit to Audit a Class from the instructor in order to audit a class and the audit cannot be revoked. Students may not request to audit a class after midterm. The audit grade of “X” is recorded on the student’s permanent academic record (transcript).

For more information on the option to audit a course, students can call the Office of Student Registration Services at (630) 942-2377 or e-mail registration@cod.edu.
Prerequisites
A prerequisite is a listed course or other enrollment criteria that must be satisfied prior to registration. Our system will automatically check that all prerequisites for each course have been met. To learn more about prerequisites, visit cod.edu/records and click on Proof of Prerequisite or e-mail prereq@cod.edu.

To view the specific course descriptions and prerequisites, view the current Course Catalog at cod.edu/catalog, visit myACCESS or refer to the current Class Schedule. There are some courses that allow the prerequisites to be waived by the consent of the instructor. You may only request a waiver for a prerequisite for a course that specifies “consent of the instructor” in the course description.

Options to Request a Registration Permit for a Prerequisite Waiver:
1. Students can log into myACCESS and select “Request a Permit” located under the Registration heading. Note: This option is only available until the 10th instructional day of class.
2. Students can locate the instructor’s e-mail address in myACCESS and e-mail the instructor directly to request a Registration Permit for a Prerequisite Waiver.

WITHDRAWALS, REFUNDS AND APPEALS

Dropping vs. Withdrawing

Dropping a Credit Class During the Refund Period

Dropping a credit class can only be done within the first 12% of the number of calendar days in the session based on the start date of the class. 100% refund of tuition & fees will be granted during the first 7% of the number of calendar days in the session based on the start date of the class. 50% refund of tuition & fees will only be granted during the first 8-12% of the number of calendar days in the session based on the start date of the class. Visit cod.edu/reg_calendar view the number of calendar days within a course. Students will only receive a refund when a class is dropped during the refund period.

Students can view their specific refund dates for each class on the student’s class schedule which can be obtained by logging into myACCESS and clicking “My Class Schedule” located under the Academic Profile heading. Students may also call the Office of Student Registration Services at (630) 942-2377 to obtain the last day to drop a course for a refund. When a class is dropped during the refund period, it will not appear on the student’s transcript. After the refund period, removing a class from your schedule is considered a withdrawal.

Withdrawal from Credit Classes

If a student decides to remove a course from their schedule after the refund period, it becomes a withdrawal. Students will not receive a refund during the withdrawal period. A “W” will be indicated on the student’s transcript. The “W” is not part of the calculation for GPA. The final day for a student to withdraw from any course will be equal to 75% of the time for the respective academic session. After this date, a student must request a Late Withdrawal Appeal Due to Extenuating Circumstances. The last day to withdraw is listed on the student’s class schedule which can be obtained by logging into myACCESS and clicking “my class schedule” located under the Academic Profile heading. This date can also be found on the registration calendar online by visiting cod.edu/reg_calendar. A student can obtain a copy of the calendar by visiting the Office of Student Registration Services Student Services Center (SSC), Room 2221 or by contacting the office at (630) 942-2377 or at registration@cod.edu.

Late Withdrawal Appeal Due to Extenuating Circumstances

After the withdrawal deadline, students wishing to withdraw from their courses will be required to submit a Late Withdrawal Appeal Due to Extenuating Circumstance as well as appropriate documentation to the Office of Student Registration Services. Students who are granted approval to withdraw by petition will not be eligible for refunds of tuition or fees and will have a ‘W’ grade on their transcript. Late withdrawal appeals must be submitted at least one day prior to the last regular class meeting. Students will not be eligible to petition for late withdrawal during the week of final exams. The form along with the guidelines to submit a Late Withdrawal Appeal Due to Extenuating Circumstance can be found by visiting cod.edu/reg_forms.

Medical Withdrawal Appeal

Students who are not able to attend classes due to a documented medical reason can submit a Medical Withdrawal Appeal to the Office of Student Registration Services, Student Services Center (SSC), Room 2221. Appeals must be accompanied by documentation from a physician or medical institution to verify the medical condition, date of onset and estimated length of treatment. Requests for medical withdrawals are reviewed by a Medical Appeals Committee and the decision made by the Medical Appeals Committee is final. A tuition refund may be issued when appropriate within the guidelines of the College of DuPage refund policy. Failure to provide adequate documentation at the time of submission will result in denial of the appeal. The student will receive written notification of the decision within three (3) weeks of submitting the request to the Office of Student Registration Services. Medical Withdrawal Appeal forms are available in the Office of Student Registration Services and online at cod.edu/reg_forms.

Tuition Appeal Due to Extenuating Circumstances

Tuition Appeal Due to Extenuating Circumstances is for students who are requesting a refund of their tuition charges due to extenuating circumstances preventing attendance that occurred during a given term. Documentation of the extenuating circumstance is required and failure to provide adequate documentation at the time of submission will result in denial of the appeal. A refund can only be considered when a student has withdrawn from a class and has received a ‘W’ grade. Filing an appeal does not relieve the current student financial obligation to College of DuPage. The student is responsible for all charges assessed on their account pending a decision on their appeal. The appeals are reviewed by a committee and the decision process takes approximately 4 weeks. Additional time may be necessary to contact faculty and for
instructional, financial aid or advising issues to be reviewed by the Dean. A student will be notified of the committee’s decision by mail. The decision made by the committee is final.

**Late Registration Appeals**

After the midterm period of a given course, the student must submit a Late Registration Appeal to register for any credit course. All Late Registration Appeals must include a reason for the appeal along with an instructor’s permit to register late. The Late Registration Appeal Form can be found online at cod.edu/reg_forms.

**Withdrawing from Adult Non-Credit Classes, Seminars and Workshops**

A student may withdraw up until the end of the class, seminar or workshop.

For more information on Withdrawals, Refunds and Appeals students can call the Office of Student Registration Services at (630) 942-2377 or e-mail registration@cod.edu

**STUDENT FINANCIAL ASSISTANCE**

The Office of Student Financial Assistance provides a comprehensive range of services that bridge the gap between the financial resources of students and their families and the cost of education at College of DuPage, eliminating the economic barrier to obtaining an education.

Financial aid programs strive to reduce financial barriers to a college education. Most federal and state financial aid programs are based on demonstrated financial need. Financial need is the difference between the resources of the student and/or family and the cost of attending college.

Financial aid is available to any eligible student enrolled in an eligible degree or certificate program. Grants, loans, on-campus employment and local scholarships are options available to help students meet their educational expenses. All federal/state financial aid programs are subject to government review and control, and are subject to change.

**Qualifications**

Both full-time and part-time students that are enrolled in an eligible program may qualify to receive financial aid and there are no age restrictions.

In general, a student may qualify for most federal and state financial aid if the following conditions are met:

**Grants**

Federal Pell Grants help undergraduate students who demonstrate financial need and have not earned a bachelor’s or professional degree from either a U.S. or foreign college to pay for their education. The Pell Grant is the largest federal student aid grant. For many students, these grants provide a foundation of financial aid, to which aid from other sources may be added. Pell Grants may be used to pay for tuition, books and indirect educational expenses. Pell Grants do not have to be paid back.

**Monetary Award Program**

The Illinois Monetary Award Program (MAP) is a need-based, state-funded program designed to assist undergraduate college students. The Monetary Award Program pays only in-district tuition charges. Monetary award amounts vary depending on the student’s demonstrated financial need. MAP Grants are limited based on the number of applicants and funding levels appropriated by the Illinois General Assembly.
Federal Supplemental Educational Opportunity Grant (FSEOG)
The FSEOG is awarded to undergraduate college students to help pay for educational expenses. It is awarded to students who demonstrate the most high need and is awarded on a first come, first served basis. Students can receive up to $1,500 a year with priority given to students with exceptional financial need who receive the Pell Grant. The FSEOG awards are based on the availability of FSEOG funds and do not need to be repaid.

Student-to-Student Grant (STS)
Student-to-Student grants assist undergraduate students at state-supported colleges. Students must demonstrate exceptional financial need and be concurrent Pell Grant recipients. It is awarded to students who demonstrate the most high need and is awarded on a first come, first serve basis. Students who receive an FSEOG are not considered for the STS grant. Student-to-Student grants are based on available funds and do not have to be repaid.

Federal Direct Loans
The Federal Direct Loan Program, provided by the federal government, offers low-interest, long-term educational loans to qualified students. This program includes both subsidized and unsubsidized loans. Subsidized loans are made to students who complete the FAFSA and demonstrate financial need. Eligibility for unsubsidized loans is not based on financial need.

The primary difference between the two loan types is that the borrower is responsible for paying the interest on the unsubsidized loan from the date the funds are disbursed.

Parent Direct PLUS Loan
Parent Loans for Undergraduate Students (PLUS) are long-term educational loans provided by the federal government for qualified individuals. A parent or legal guardian is eligible to borrow on behalf of dependent undergraduate students and the loan has a variable interest rate. The maximum loan amount that a parent may borrow per academic level on behalf of each dependent student cannot exceed the cost of attendance minus any financial aid received.

A PLUS borrower is obligated to repay the full amount borrowed, including origination fees and interest. The repayment period begins on the date the loan is fully disbursed, as there is no grace period. Check with your loan servicer for your loan repayment schedule.

These loan programs are governed by federal regulations and are subject to change.

SCHOLARSHIPS
Scholarships do not have to be repaid and are not limited to high-achieving high school graduates. Scholarships are available from private sources, such as community agencies, foundations, banks, churches, civic and cultural groups, and area businesses. Local scholarship requirements vary widely. Eligibility requirements may include financial need, academic achievement, religious affiliation, community activities, artistic talent, athletic ability, career plans and special interests.

EARNING COLLEGE CREDIT

Credits Defined
College of DuPage uses the semester system for awarding college credit. The academic year is divided into two semesters of approximately 16 weeks each and a summer term. The number of semester hours of credit granted for each course varies. The “Course Descriptions” section of this Catalog lists the value of each course in credit hours. A student must be enrolled in a minimum of 12 credit hours in fall and spring and a minimum of 6 hours in summer to be considered a full-time student. Half-time status is 6 to 11 semester credits during fall and spring semesters. In addition to standard semesters, the College also offers some sessions that vary in length from the standard term and may affect determination of status.

Class Standing
A student who has earned fewer than 30 semester credits is considered a freshman. A student with 30 or more hours has sophomore standing.

Semester Grades, Types of Grades and Grade Points
Final course grades may be accessed online at myaccess.cod.edu.

The following abbreviations appear on student grade records (transcripts):
- A: High degree of excellence in achievement
- B: Better than average achievement
- C: Average/acceptable achievement
- D: Minimum standard of achievement
- F: Failure to complete minimum requirements
- S: Satisfactory
- I: Incomplete
- W: Withdrawal
- X: Audit

The following grade point values are assigned to letter grades:
- A: 4 for each semester hour of credit
- B: 3 for each semester hour of credit
- C: 2 for each semester hour of credit
- D: 1 for each semester hour of credit
- F: 0 for each semester hour of credit

Grades of “S,” “I,” “R,” “W,” “N,” and “X” and grades for courses numbered below 1000 are not included in the official grade point average (GPA), but will be shown on a student’s transcript.

Satisfactory/Fail (S/F) Grade Option
Certain classes, as identified in the College of DuPage Class Schedule, offer only Satisfactory/Fail grades. In most other classes, the student and the instructor may choose to use the Satisfactory/Fail grade option. The instructor retains the prerogative to determine whether the Satisfactory/Fail option is applicable to the course and to define what grade must be earned to receive a satisfactory grade. The student must actively pursue and complete all of the requirements of the course to request a Satisfactory/Fail grade.

A student who would like to take a class Satisfactory/Fail must obtain approval from the instructor. If granted, a signed contract with the instructor confirming the use of the Satisfactory/Fail grading option must be received by Student Registration Services no later than the course withdrawal deadline. Once the Satisfactory/Fail option has been finalized, the grading option may not be changed.

The satisfactory or “S” grade will not be computed in the student’s GPA, but the fail or “F” grade will be computed. Credits earned in the Communication, Physical/Life Sciences, Mathematics, Humanities/Fine Arts and Social and Behavioral Sciences categories may NOT be graded with a Satisfactory/Fail grade if the student is seeking any degree other than the Associate in General Studies degree or the Associate in Applied Science degree. Only 12 credit hours of “S” credit may apply toward any degree from the College of DuPage.

Grade of Incomplete
The instructor of record may assign an incomplete or “I” grade when a student who has completed a substantial portion of a class with a passing grade is unable to complete the course within the prescribed time due to documented unforeseen circumstances. When an instructor agrees to issue an incomplete grade, an Incomplete Contract must be completed and submitted to the Office of Student Records.

Unfinished course work must be completed within the time limits prescribed by the instructor, but may not exceed twelve (12) months from the end of the term in which the “I” grade was assigned. The student is responsible for contacting the instructor of record or, when the instructor of record is no longer employed at the College, the appropriate Associate Dean regarding course completion. If the “I” has not been changed by the instructor of record within the twelve (12) month period, the “I” will automatically change to an “F” grade. During the time the “I” is on the student’s record, it will not be calculated into the cumulative grade point average.

Credit by Demonstrated Competence
The College of DuPage Credit by Demonstrated Competence program offers students the opportunity to demonstrate their learning achievements outside the
traditional college classroom and earn college credit for competencies equivalent to existing college courses. Students may complete 42 of the 64 semester credits needed toward an associate’s degree through this approach. Credit can be earned by Credit by Proficiency or Articulated Credit.

**Credit Earned by Proficiency**

This method offers an opportunity to gain college credit for knowledge that students have acquired in an occupational or educational environment outside of college or through other experiences that are related to specific College of DuPage courses. Through this process, students who can demonstrate that they have mastered the body of knowledge normally needed to complete a COD course can gain college credit without taking the course. Proficiency credit can be earned through the following methods:

1. **Credit by Proficiency through Established Examinations**

Several established exams developed by COD Faculty or national exams are available on a walk-in basis. Credit by national examination offers a student an opportunity to demonstrate knowledge in a particular subject area by submitting scores from the nationally recognized Advanced Placement Program (AP) or the College-Level Examination Program (CLEP).

   a. **Advanced Placement Program**

      The Advanced Placement Program (AP) is a program of college courses offered in high school in cooperation with the College Board of Princeton, NJ. College of DuPage accepts credit for course areas in which a student has completed an Advanced Placement Program course examination with an acceptable score. The amount of credit accepted for each Advanced Placement Program course examination is determined according to its College of DuPage equivalent course.

   b. **College-Level Examination Program**

      College of DuPage is a national test center for College-Level Examination Program (CLEP) which is sponsored by the Educational Testing Service and provides college-level, content-specific tests given to determine competency. All CLEP tests are computer-based. CLEP exams are given by appointment and the fee for each CLEP Examination is determined by the College Board. Registration materials, fee information and a list of CLEP exams accepted at COD are available from the Testing Center office, (630) 942-2401.

2. **Credit by Proficiency through an Instructor**

   If an established exam does not exist, contact the appropriate Division office for permission to gain credit through proficiency. Procedures for earning credit are available from the Testing Center office.

**Credit through Articulation**

College of DuPage has entered into articulation agreements with some district high schools for classes that are equivalent to college classes. The agreements stipulate that when agreed-upon conditions are met, a student may apply for and receive credit at College of DuPage for these high school classes. The purpose of this cooperative effort is to eliminate needless duplication of content, save the student time and money, and to provide better continuity between high school and college curricula.

To obtain articulated credit, a student will follow application procedures included on the Application for Articulated Credit form available in the Office of Student Records. Application for the credit must be filed within two years of high school graduation. The student is responsible for an official transcript to be sent to the College of DuPage Office of Student Records directly from the high school.

**Grade Review and Appeal Procedure (Board Policy 20-165)**

College of DuPage recognizes that the responsibility for grading rests solely with faculty. This grade review procedure is available for a student to review a final course grade alleged to be arbitrary and capricious. Before requesting a formal review, a student is urged to make every effort to resolve the grievance informally with the instructor who issued the final grade. The student may terminate the formal procedure at any point, but when the procedure reaches full closure, the student must abide by the final disposition of the appeal and will be precluded from seeking review of the matter under any other college procedure. The Grade Review Procedure is fully outlined in Administrative Procedure 20-165.

A student may initiate a formal grade review if it is felt an arbitrary or capricious grade has been given, which means:

a. The assignment of a course grade to a student on some basis other than performance in the course; or

b. The assignment of a course grade to a student by resorting to unreasonable standards different from those which were applied to other students in the class; or

b. The assignment of a course grade by a substantial, unreasonable and unannounced departure from the instructor’s previously articulated standards. Factual and computational errors are included in this definition.
Step 1. Student Consultation with Instructor and/or Associate Dean/Supervisor
   a. The student contacts the instructor to discuss the grade and to work toward a mutual understanding of the basis and procedure used to determine the final grade. This request must be initiated by the student within forty-five (45) calendar days of the last day of the academic term for which the grade was assigned. If the instructor is not available, the student must register the request for the review with the instructor’s associate dean/supervisor.
   b. If the problem is not resolved between the student and the instructor at Step 1, Step 2 must be initiated by the student within ten (10) days following the meeting with the instructor or associate dean/supervisor.

Step 2. Calling of Grade Review Committee
   a. A student requests that the associate dean/supervisor initiate a formal grade review by the Division’s standing Grade Review Committee. Each Division will determine its unit process for establishing its committee, but all committees will consist of three voting faculty members from within the Division and will exclude the instructor who issued the grade under review.
   b. The student receives a Grade Review Form from the associate dean/supervisor and completes it in writing.
   c. The student submits the completed Grade Review Form to the associate dean/supervisor within ten (10) days of receiving the form.
   d. The associate dean/supervisor sends the instructor a copy of the student’s completed Grade Review Form within five (5) days, to be returned with a written response from the instructor within ten (10) days after receiving the form from the associate dean/supervisor.
   e. The associate dean/supervisor will call the Grade Review Committee and the committee will meet within ten (10) days of receipt of the completed Grade Review Form from the instructor to determine whether to dismiss or hear the case.
   f. The Grade Review Committee will dismiss the appeal if:
      1. The student has submitted the same, or substantially the same, complaint to any other formal grievance procedure; or
      2. The allegations, even if true, would not constitute arbitrary and capricious grading; or
      3. The appeal was not timely; or
      4. The student has not conferred with the instructor or with the instructor’s associate dean/supervisor in accordance with Step 1 of these procedural steps.
   g. If the request for review is not dismissed, Step 3 follows.

Step 3. Actions of the Grade Review Committee
   a. The Grade Review Committee will submit a copy of the student’s written statement to the instructor with a request for a written reply within ten (10) working days if this step has not been taken prior to the convening of the committee. (See Step 2, d. above.) If it then appears that the dispute may be resolved without recourse to the procedures specified in Step 3: b., which follows, the committee will attempt to arrange a mutually agreeable solution between the student and instructor.
   b. If a mutually agreeable solution is not achieved, the Grade Review Committee will proceed to hold an informal, non-adversarial, fact-finding meeting concerning the allegations. Both the student and the instructor will be entitled to be present throughout this meeting and to present any relevant evidence. Neither the student nor the instructor will be accompanied by an advocate or representative. This meeting will not be recorded by any parties and will not be open to the public.
   c. The Grade Review Committee will deliberate privately at the close of the fact-finding meeting. If a majority of the committee members finds the allegation supported by any clear and convincing evidence, the committee members will take any action which they feel would bring about substantial justice and includes, but is not limited to:
      1. Directing the instructor to re-evaluate the student’s work.
      2. Directing the instructor to administer a new final or paper in the course.
      3. Directing the cancellation of the student’s registration in the course.
      4. Directing the award of a grade of “satisfactory” in the course, except that such a remedy should be used only if no other reasonable alternative is available.
   d. The Grade Review Committee is not authorized to award a letter grade or to reprimand or otherwise take disciplinary action against the instructor. The decision of the committee will be final and will be promptly reported in writing to the parties. The associate dean/supervisor will be responsible for implementing the decision of the Grade Review Committee.
STANDARDS OF ACADEMIC PROGRESS

Academic Warning: Students are placed on Academic Warning when less than 12 College of DuPage credit hours are attempted and the cumulative GPA is below 2.00. Academic warning does not restrict registration but students are encouraged to discuss their lack of satisfactory progress with a counselor.

Academic Probation I: Students are placed on Probation I when 12 or more College of DuPage credit hours are attempted and the cumulative and semester GPA are both less than 2.00. Students must meet with a counselor to review their academic progress prior to enrollment for the next semester. Students are restricted from registration until they comply with this requirement. A registration restriction will remain on the student’s record until the cumulative GPA reaches 2.00 or higher. Students will be restored to good standing once their cumulative GPA is 2.00 or higher.

Academic Probation II: Students are placed on Probation II after serving one semester on Probation I with a cumulative and semester GPA less than 2.00. When final grades are posted after the Probation II semester, a student will be withdrawn from current semester courses and issued a refund. The Probation II status will be in effect for one fall or spring semester following Probation II. A registration restriction will remain on the student’s record until the cumulative GPA reaches 2.00 or higher. Students will be restored to good standing once their cumulative GPA is 2.00 or higher.

ACADEMIC REINSTATEMENT

Students will be considered for Academic Reinstatement following their Suspension I and/or II status. Reinstatement is not guaranteed once a student is suspended. If reinstated, the student will need to work with a counselor to create a success plan; course selection will be restricted and no future registration can occur without counselor approval. In the semesters following academic reinstatement, if the semester grade point average is below 2.00, the student will be placed on continued suspension status until the cumulative GPA meets the minimum of 2.00. If the semester GPA falls below 2.00 while the cumulative GPA is below 2.00, the student again will be suspended. Academic warning, probation and suspension notations are recorded on the student’s academic record, but are not printed on the official transcript.

EXCESSIVE WITHDRAWAL POLICY

Students with a recurring, overall pattern of withdrawal from College of DuPage courses will be periodically notified of the effect that withdrawal grades can have on progress toward degree/certificate completion and financial aid eligibility. Students failing to make satisfactory academic progress may lose their financial aid funding. Students are encouraged to meet with a counselor or advisor to discuss effective strategies for course selection and completion.
APPEALS FOR ACADEMIC REINSTATEMENT

Appeals relating to the Standards of Academic Progress policy should be made to the Associate Dean, Counseling and Advising.

ACADEMIC FORGIVENESS POLICY

The College of DuPage Academic Forgiveness Policy is for those students who have experienced previous academic difficulty at College of DuPage and now wish to build an academic record that is not weakened by past failures. Students are encouraged to retake classes whenever possible to achieve an improved grade. The College accepts no responsibility for the ways in which a transfer institution or an employer might interpret a student’s use of the forgiveness option.

Forgiveness Criteria

A student may apply for forgiveness of past “F” grades if all of the following policy requirements are met:

1. Students seeking academic forgiveness must submit a petition in writing to the Office of Student Records.
2. A period of at least 36 months of non-enrollment has elapsed since the end of the last term of grades to be forgiven (excluding non-credit classes).
3. A minimum of 12 consecutive semester credit hours with no grades of “D,” “F,” “S,” “I,” or “X” and no more than two “Ws” must be earned at College of DuPage before the forgiveness policy will be considered for a student. A student must earn the number of credit hours with a grade of “C” or better equal to the number of credit hours of “F” grades to be forgiven. “F” grades for courses below the 1000-level and from other colleges or universities will not be forgiven.
4. A maximum of 18 semester hours of 1000-level or above or 25 quarter hours of 100-level or above will be forgiven.
5. Forgiveness will be granted one time only for each student. Once forgiveness is granted, it is permanent. Repeating the course will not affect or change the forgiven grade.

Procedure for Forgiveness

1. When the eligibility requirements have been fulfilled and forgiveness granted, the student’s cumulative grade point average will be recalculated with the “F” grades removed from the calculation. However, the “F” grades will remain on the student’s official transcript with a notation indicating that the student has been granted forgiveness.
2. Financial aid eligibility is determined by the Standards of Progress policy for financial aid recipients. If a student is granted academic forgiveness, eligibility for financial aid is not guaranteed.

ACADEMIC RECORDS

Degree Audit

A degree audit reports a student’s progress toward the completion of a degree or certificate. The audit lists the categories completed and in-progress, the requirements not met, and courses from which the student may select to complete their degree or certificate.

If a student is working toward a degree or certificate, or is planning to transfer to another college or university, the student may check his/her progress by running a Degree Audit online at myaccess.cod.edu. A student may run an audit of any degree or certificate.

An Illinois Articulation Initiative (IAI) audit reports by category all courses a student has completed that fulfills the General Education Core curriculum. The audit also lists all other COD courses from which a student may select to complete the IAI General Education Core curriculum. The Illinois Articulation Initiative (IAI) is designed to facilitate the transfer of students from one Illinois institution to another.

Official Transcripts

A student may order a copy of their official College of DuPage transcript. See the College website for details on other options for ordering an official transcript, www.cod.edu/registration/records/ordering_transcripts.aspx.

Transfer Credit Evaluation

Students intending to earn a degree or certificate at College of DuPage, and expect to apply credit earned elsewhere, must contact institutions previously attended requesting an official transcript to be sent directly to the Office of Student Records. Credits earned at other regionally accredited colleges/universities are eligible for transfer to College of DuPage. Transcripts are evaluated in the order in which they are received and are completed within three weeks.
Administrative Withdrawal
Students not actively attending classes or engaged in online course activities may be withdrawn from the class by the instructor.

RECOGNITION OF ACADEMIC ACHIEVEMENT

Academic Honors
Each semester College of DuPage recognizes students whose grades reflect outstanding achievement. All students who are currently in good academic standing, enrolled in at least six (6) credit hours of 1000-level or above courses, do not have a current incomplete “I” grade, and whose semester grade point average is 3.50 to 4.00 inclusive, will be awarded Academic Honors. This designation becomes part of the student’s permanent academic record and is printed on the student’s official transcript.

Graduation Requirements
The official determination of a student’s status relative to graduation is made through the Office of Student Records. Students should submit an Application for Degree or Certificate no sooner than one semester before expected completion. Students should run their Degree Audit online to review their progress. When the Degree Audit indicates the program status of “Pending Anticipated Complete,” it is time to apply for graduation. Student Success Counselors or Program Advisors, while not graduation evaluators, are knowledgeable about graduation requirements and can assist students with understanding these requirements, interpreting the Degree Audit, and planning so that all requirements are met.

Graduation Honors
Graduation honors are indicated on the diploma. Beginning with the fall 2014 semester, graduation honors are also indicated on the official transcript. They are designated as follows in three categories: Highest Honors is awarded to students earning a minimum of 40 credits at College of DuPage and a cumulative College of DuPage grade point average of 4.00. High Honors is awarded to students with a cumulative College of DuPage grade point average of 3.60 to 4.00. Honors is awarded to students with a cumulative College of DuPage grade point average of 3.20 to 3.59. Graduation honors are determined from the cumulative grade point average in the semester in which the student completes degree requirements. Students must take at least eight (8) semester hours of credit for letter grades (excluding “S”) to be eligible for honors recognition at graduation.
