Please note: New POWER Test Date

The Suburban Law Enforcement Academy will administer the P.O.W.E.R. Test on Tuesday, September 5, 2017 and Monday, September 11, 2017, between 8:00 a.m. and 10:00 a.m. at College of DuPage. Recruit officer candidates must report no later than 7:30 a.m. to the Homeland Security Education Center (HEC) inside the hallway near Door 1. The College of DuPage map is provided for your convenience. Park in the lot immediately west of the HEC Building (Lot Fawell E).

Certified instructors will administer the test according to guidelines set forth by the Illinois Law Enforcement Training and Standards Board. Should your recruit officer candidate fail any part of the test, a re-test will be scheduled by the SLEA staff. Recruits will be instructed to contact their respective agencies for authorization to participate in the re-test.

We have included Medical Examination Package forms and a Medical Certificate which must be signed by a physician prior to testing. Recruit officers are required to bring the certificate with them on the day of the test. Under no circumstances will a recruit be allowed to participate in the testing process without a signed certificate. A driver’s license or some type of photo identification will also be required for registration. A copy of the State P.O.W.E.R. Test Guide provides an outline of the test guidelines and administration protocols.
PLEASE NOTE:
SLEA requires a copy of the Form E as submitted to the Illinois Law Enforcement Training and Standards Board. Recruits will not be allowed to take the POWER Test without a Form E.

Additionally, all other recruit registration forms may be submitted at the time of the P.O.W.E.R. Test. They may also be turned in the first day of class or sent via mail, but should be received at the Academy no later than the first day of class on **Monday, September 18, 2017**. A Recruit Guide will be handed to all recruits upon successful completion of the P.O.W.E.R. Test.

Recruits will be required to wear appropriate athletic attire for the test. A good pair of running shoes is recommended.

A clothing company representative will be present at the P.O.W.E.R. Test on **Tuesday** morning (**September 5, 2017 and September 11, 2017**) to take measurements from all recruits for Academy uniform attire required during the **14-weeks** of training. The apparel will be distributed during the first week of class.
