Main St. St. Charles, IL 60174.

The College and Contractor desire to enter into this Agreement, by which Contractor shall perform certain services in connection with the project as described below. In consideration of the performance of services by Contractor and the payment for those services by the College, the parties agree as follows:

1. Scope of Services

As directed by the College, Contractor will perform services for Laundering Services in connection with the project, including, specifically, the matters set forth on Exhibit 1. Contractor will perform duties at the College using College facilities as appropriate.

2. Performance of Services

Contractor will perform the services with the highest professional standards as practiced in a timely manner and in accordance with any project schedule set forth in Exhibit 1. The parties agree that time is of the essence with respect to Contractor's performance.

Contractor will assign qualified and experienced personnel to perform the services. Accordingly, all Contractor personnel performing work or services relating to this Agreement will be subject to the College's approval. Where Exhibit 1 identifies specific Contractor personnel, these individuals will remain assigned to provide the services throughout the term of this Agreement, in accordance with their roles and responsibilities identified in Exhibit 1, unless otherwise approved in writing by the College. No provision of this Agreement (including any incorporated documents) will be effective to any extent that it abridges or abrogates the foregoing standard of care. Contractor will maintain a sufficient staff to perform all services in the most expeditious and economical manner consistent with the interests of the College. Contractor must promptly notify the College immediately in writing: (i) of any information required from the College so Contractor can complete their services in a timely manner; and (ii) of any work requested by the College that is not included in the scope of work provided in Exhibit 1.

Contractor will perform the services in accordance with all applicable laws, rules and regulations, including equal employment opportunity and import and export control laws and regulations. Among other things, the College will have the right to utilize such documents, drawings, and surveys in the event the

College expands the project, corrects any deficiencies, or makes any repairs or renovations to the project. Contractor shall submit any document, publication, brochure, electronic media, etc., which was developed for College of DuPage under this Agreement to the College for copyright or trademark by the College at its sole discretion.

Upon termination of this Agreement, or at any such time as the College may request, Contractor will deliver to College of DuPage all copies of documents relating to this Agreement in Contractor's possession.

4. Term

The term of this Agreement is from July 1, 2020 to June 30, 2022 unless otherwise terminated in accordance with this Agreement. Services shall not begin, nor shall any payment to Contractor be made or authorized, before execution of this Agreement by an authorized signatory of the College.

Main St. St. Charles, IL 60174.

The College and Contractor desire to enter into this Agreement, by which Contractor shall perform certain services in connection with the project as described below. In consideration of the performance of services by Contractor and the payment for those services by the College, the parties agree as follows:

1. Scope of Services

As directed by the College, Contractor will perform services for Laundering Services in connection with the project, including, specifically, the matters set forth on Exhibit 1. Contractor will perform duties at the College using College facilities as appropriate.

2. Performance of Services

Contractor will perform the services with the highest professional standards as practiced in a timely manner and in accordance with any project schedule set forth in Exhibit 1. The parties agree that time is of the essence with respect to Contractor's performance.

Contractor will assign qualified and experienced personnel to perform the services. Accordingly, all Contractor personnel performing work or services relating to this Agreement will be subject to the College's approval. Where Exhibit 1 identifies specific Contractor personnel, these individuals will remain assigned to provide the services throughout the term of this Agreement, in accordance with their roles and responsibilities identified in Exhibit 1, unless otherwise approved in writing by the College. No provision of this Agreement (including any incorporated documents) will be effective to any extent that it abridges or abrogates the foregoing standard of care. Contractor will maintain a sufficient staff to perform all services in the most expeditious and economical manner consistent with the interests of the College. Contractor must promptly notify the College immediately in writing: (i) of any information required from the College so Contractor can complete their services in a timely manner; and (ii) of any work requested by the College that is not included in the scope of work provided in Exhibit 1.

College expands the project, corrects any deficiencies, or makes any repairs or renovations to the project. Contractor shall submit any document, publication, brochure, electronic media, etc., which was developed for College of DuPage under this Agreement to the College for copyright or trademark by the College at its sole discretion.

Upon termination of this Agreement, or at any such time as the College may request, Contractor will deliver to College of DuPage all copies of documents relating to this Agreement in Contractor's possession.

4. Term

The term of this Agreement is from July 1, 2020 to June 30, 2022 unless otherwise terminated in accordance with this Agreement. Services shall not begin, nor shall any payment to Contractor be made or authorized, before execution of this Agreement by an authorized signatory of the College.
