Dear Director/Designated Representative:

The *Illinois Entrepreneurship and Small Business Growth Association* (IESBGA) would like to invite your organization to renew your association membership at this time. A membership in IESBGA provides the following benefits to you and your employees:

1. Expand your access to resources for your clients, business or organization.
2. Reduced registration fees for all employees in your organization that attend an annual professional development conference to expand their skills. Featured speakers include statewide and national experts on small business issues.
3. Orientation for new members at conference.
4. The opportunity (voluntary) to earn certification as a "Certified Business Development Advisor."

Membership in IESBGA is listed as either a *Regular Member* or as an *Associate Member*. *Regular membership* is open to small business and entrepreneurship support organizations operating under cooperative agreement with the Illinois Department of Commerce and Economic Opportunity and other not-for-profit organizations that are primarily engaged in small business development activities or provide small business development assistance in the state of Illinois. *Associate membership* is available to other not-for-profit and for-profit organizations or individuals who serve as resource providers and referral sources for the not-for-profit small business development organizations but are not eligible as regular members. The only difference between your center/organization's listing as a *Regular Member* versus an *Associate Member* is that the *Regular Membership* gives your center/organization one vote in all IESBGA elections.

Your center/organization membership will be in the name of your individual center/organization and all employees listed on your application will be granted the benefits listed above. The annual membership fee is \$125 and will be effective for the 2022 calendar year. To renew your membership, please complete the attached membership application form and return to the Association Manager's office at the address listed above. If your center's name, address or staff has changed, please correct the information on the membership application form.

Thank you,

IESBGA Coordinating Council
