The stage for the show MUST be secured exclusively for TAO and the local presenters MUST NOT book other events during these 2 days.

In addition, TAO reserves the right for exclusive use of the stage for the entire day of the performance. If union regulations do not allow exclusive use of the theatre, the following schedule will be adjusted to accommodate changes. THE LOCAL PRESENTER is requested to provide adequate security for company equipment if it is left onstage overnight.

All lighting and sound equipment should be hanged, patched, and tested before THE COMPANY'S arrival.

(Example schedule for a 7:30pm House Open, 8:00pm Show start)

9:00 am (10.5 hours till House Open) — Advance Technical crew arrives (by van and truck) to check the lighting set-up and begin load-in and scenic installation. Time permitting, they will also unload the stage props (not musical instruments) and set up soft goods.

60 minutes prior to the show, if feasible. To be agreed upon in show advance.
7:30 pm (House Open) — House opens ~~no more than 30 minutes prior to the show.~~ THE COMPANY'S Technical director will release the stage to the theatre staff.

8:00pm (Show Start) - The show is approximately 2 hours with intermission. From the time the house opens to the time the TAO staff calls for work lights after the house has cleared, all changes to the visible stage are a choreographed part of the show. The performers do all changes in instrument placement on stage.

10:00pm (End of the Show) —The company starts striking the stage sets and packing the instruments immediately after the show. Load-out takes approximately 1.5 (one and a half) hours. Depending on the loading dock condition, it can be shorter or longer.

11:30pm (After load-out) — The company eats dinner after the load-out. If there is venue regulation to leave the facility at certain time, production manager of the venue has to notify THE COMPANY's Tour Manager in advance and provide ample take-out containers.

In the case of multiple performances: on days after the first performance, THE COMPANY will need access to the theatre (work light only) at latest five (5) hours prior to the house opening.

In case of multiple performances including matinee, THE COMPANY will need access four (4) hours prior to the house opening. The crew call should be one (1) hour before house opens.

All times are subject to change and will be confirmed during the advance process.

LOCAL PRESENTER AGREES TO SUPPLY THE FOLLOWING AT ITS OWN EXPENSE:

STAGING DIMENSIONS	
Proscenium Width	Sixty (60) feet
Proscenium Height	Thirty (30) feet
Grid Height	Seventy-two (72)
Performing Space (depth from plaster line to last lineset)	Fifty-three (53) feet
Performing Space (width from leg to leg)	Fifty-three (53) feet
Wing Space (off stage of proscenium)	Twenty-six (26) feet wide each x full stage depth

THE COMPANY will not use the orchestra pit, except for when the performing space is smaller than the dimension indicated above.

Interior access from backstage to the side of the house as well as the rear of house or lobby directly to the stage via stairs or ramps is also required for entrances and exits through the audience.

BACKSTAGE

The backstage area must allow for fast entrances and exits with props and instruments.

Three tables at least 2' 6" on each side have to be provided. A clear and well-lit crossover is essential for all performers. The backstage must be well-lit with running lights left and right to aid performers with no light spill onstage and cleared of all possible obstructions.

With its amount of instruments and props, the company require the usage of wing area and back stage as much as possible. Therefore stage wings and backstage area must be organized and the company may request to move some objects to create clear spaces.

FLOOR

The company will travel with its own floor sheet that can cover the area size of 60 feet by 53 feet. Installation of the sheet will be applied under the direction of the touring technical director.

SCENERY

Basic stage plan and technical riders will be provided in advance.

The production requires about twenty six (26) flybars. (The number is subject to change depending on the production design.)

26 flybars will be used for:

Cyclorama, Upstage full black, scenic drop x two (2) (brought by TAO), Mid stage full black, Scrim (brought by TAO), Downstage full black, house curtain, five(5) sets of legs, five(5) borders, five(5) LXs and three (3) flybars for overhead microphones.

INSTRUMENTS

THE COMPANY travels with all of its own musical instruments.

The members of the performing company spend years training and learning not only to play drums, but also how to handle drums/equipment. Drums and equipment are fragile (despite their size and weight) and extremely expensive.

Assistance with unloading and loading the truck is welcomed; however, as assembly of stands and carts is part of the tuning process, TAO prefers to handle the drums and all of the related equipment once they are on the stage. Stage hands may handle instruments only when THE COMPANY asks for help.

AIR-CONDITIONING

Because it's made out of leather, the instruments (Drum Skins) are very sensitive for temperature and humidity. The preferred condition is 45% of humidity.

Opening and closing of all the doors in the facilities including the loading dock will be directed by the company leader to adjust the conditions. The presenter is required to prepare two big fans to be used for maintenance of the instruments.

HOTEL ACCOMMODATIONS

THE COMPANY requires 17 hotel rooms (9 singles and 8 doubles) with complimentary continental breakfast and wireless internet direct-billed to THE PRESENTER (double rooms should contain two beds).

All hotels must be approved by Artist Management in advance.

~~The company requires 4 additional single rooms for the first 7-10 days of the tour, to be advanced and confirmed with the Tour Manager. 17 rooms for 2 nights, per face of contract.~~ DS

LOCAL TRANSPORTAION

One runner with a car or van is also requested during the day for the needs of THE COMPANY.

TRANSPORTATION & TRUCKING

THE COMPANY travels in a 56-passenger coach bus. The tour will be accompanied by 53 ft truck and advance technical staff's van. Parking for the vehicles should be reserved 12 hours prior to the show's start time until THE COMPANY's departure after the show. THE PRESENTER is required to prepare all parking permits and provide maps and clear directions to the loading dock and parking locations.

LOADING DOCK

The show consists of musical instruments, stands, carts and costumes that will arrive in one 53' foot truck. **THE LOCAL PRESENTER should be sure that the load-in route is adequate and arrange for truck parking in advance.** The route from the loading dock to the stage must accommodate an 850 lb. 6'W barrel-shaped drum, and minimum required dimension for the opening of the dock is 7.8 feet X 7.8 feet X 7.8 feet. Also, if the loading dock does not have roof to protect the equipment from rain or snow, the presenter needs to provide vinyl tarps and towels.

MASKING

Black velour legs and borders sufficient to fully mask the open stage are required. THE COMPANY's standard configuration is four (4) openings per side, which requires five (5) pair of legs and five (5) borders. The legs should provide adequate masking for the side and backstage area and allow for easy entrances and exits both stage left and stage right.

LIGHTING

The show uses locally-provided lighting equipment except for lighting console. Lighting plan will be provided by THE COMPANY in a timely manner.

All lighting fixtures must be hanged, patched, colored and ready to focus prior to THE COMPANY's load-in. The venue is to provide gels for their fixtures per the forthcoming plot.

The lighting cues are called or executed by THE COMPANY's Lighting Designer, preferably from a centrally located lighting or sound booth in the back of the auditorium with a clear view of the stage.

EFFECT EQUIPMENT

THE PRESENTER shall provide two (2) haze machines. The use of haze is heavy at times and may trigger some smoke detectors. It is the responsibility of THE PRESENTER to arrange for any staff necessary to ensure that these effects will be possible without setting off house fire system.

SOUND

The show uses locally- and tour-provided sound equipment. A complete sound plot will be sent by THE COMPANY in a timely manner.

THE COMPANY performs entirely with live amplified music and retains the sole right to set amplification levels. Please advise THE COMPANY's Technical Director of any audio restrictions in advance.

All equipment listed on the forthcoming sound plot shall be provided at the sole expense of THE PRESENTER and must be in the theatre before the scheduled load-in.

INTERCOM

Headset communication between light board, stage right for the stage manager, fly rail, and the THE COMPANY'S Lighting Designer is required and should be in place before the afternoon rehearsal. If the light booth is enclosed, a booth monitor speaker with volume control is needed. There should be a live monitor feed of stage sound to the dressing rooms.

WARDROBE

Costumes will require laundering, ironing, and/or steaming. Some repairs may be needed.

One (1) wardrobe person is required for a maintenance call. THE COMPANY will need to do at least one load of laundry (depending on the capacity of the machine) after the show during the load-out. If there is no washing machine available at the venue, please provide THE COMPANY an alternative washing machine options (for example, transportation to nearest Laundromat, hotel, etc.).

Costume racks for approximately sixty (60) costumes are required as well as a washing machine with soap, dryer, irons, and ironing boards.

DRESSING ROOMS

Adequate dressing room facilities are required for fourteen (14) performers (10-12 men and 2-4 women), and should be equipped with hot and cold running water, toilet facilities, bright lights and mirrors. These should be close to the stage or there must be a backstage area for quick costume changes.

The quick change booth needs to be right by the stage for female performers' quick change. The location will be determined after the company's arrival. The room can be simple and temporal.

GREEN ROOM

A large, bright room with tables and chairs for twenty-one (21) people is needed for THE COMPANY to eat in prior to the performance. See *CATERING* section below for more information.

The Green Room should be located near the dressing room(s) and must be heated and cooled as appropriate.

PRODUCTION OFFICE

A room suitable for six (6) persons to comfortably work is required as a production office for the duration of THE COMPANY'S time in the venue. This room should be secure and well lit with tables or desks, chairs, and a coat rack with hangers and be close to the stage and dressing rooms. This room should have wireless internet and a telephone from which local and calling card calls can be made. THE COMPANY requests the same conditions for Show Director.

CREW REQUIREMENTS

As specified previously in this document, masking and lighting area to be hanged prior to THE COMPANY'S load-in. This crew schedule assumes that THE LOCAL PRESENTER has done so.

Technical set-up will most likely take at least nine (9) hours preceding the performance: unloading, hanging, and assembly of THE COMPANY'S scenery, setting up of stage props, lighting focus and cuing, testing the effects and sound levels, and warm-up for the performers.

If the house is run by union, the presenter must notify its regulations, minimum and maximum labor hours, required break hours, and any other regulations to the technical director in advance.

The PRESENTER agrees to provide all required stage personnel for set-up, performance(s), and load-out. The following is the minimum crew requirement:

SEPTEMBER 23, 2021

**COLLEGE OF DuPAGE
REGULAR BOARD MEETING
BOARD APPROVAL**

SUBJECT

MAC Touring Artist contracts for 2021-2022 Season for total amount not to exceed \$450,000.

REASON FOR CONSIDERATION

Contracts exceeding the statutory limit of \$25,000 must be approved by the Board of Trustees.

BACKGROUND INFORMATION

The McAninch Arts Center presents an annual touring season of National and International artists each year to fulfill the cultural mission of the College. Booking of artists by MAC administration is approved per College of DuPage Board Policy 10-95. The earlier that we can book and confirm artists, the better it is for our season.

The booking of talent is very competitive in the Chicago market, as there are several performing arts centers in the area such as: Paramount Theatre in Aurora, River's Edge Park, Joliet's Rialto Theater, Elgin Community College, North Central College, Skokie Center for the Arts, Genesee Theatre, City Winery, and dozens more. These performing arts centers compete and collaborate for available talent.

Curating and negotiating talent at booking conferences and through block booking with other presenters gets us the most competitive pricing possible. The MAC uses Celebrity Access and Pollstar to compare maximum gross potential of artists and to confirm and ensure competitive pricing of talent.

The following artist contracts are \$15,000 or more, which have been negotiated and includes negotiated offers that are pending confirmation for the 2021-2022 Season:

- Mike Super – EastCoast Entertainment/Mike Super – 10/17/21
- The Texas Tenors – Chaplin Entertainment/The Texas Tenors – 11/21/21
- Greatest Love of All – Creative Booking Agency – 01/28/22
- Piaf! The Show – IMG Artists – 02/11/22
- Danú – Baylin Artists – 03/13/22
- ABT Studio – CAMI Music – 03/25/22
- One contract TBD

The following artist contracts are \$25,000 or more, which have been negotiated and includes negotiated offers that are pending confirmation for the 2021-2022 Season:

- BoDeans – Northstar Artists/BoDeans Inc – 03/04/22
- Drum TAO – IMG Artists/Drum Tao – 03/12/22
- The Ten Tenors – Opus3 Artists/Tenorissimo – 03/27/22
- Heather Headley – Creative Arts Agency/Ossum One Inc – 04/03/22
- Oak Ridge Boys – William Morris Endeavor Entertainment – 05/08/22
- One Contract TBD

Pricing and negotiations for artists are confidential to facilitate competitive pricing; therefore, we request that individual artist fees remain confidential. However, the total expenditure for the above contracts is not expected to exceed \$450,000.

This purchase complies with State Statute, Board Policy and Administrative Procedures. Contracts for services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part are exempt from bidding under the Illinois Public Community College Act 110 ILCS 805/3-27.1.

Areas of the College such as, but not limited to, the Arts Center, Business Solutions, or Conference & Events may need to authorize contracts for speakers, productions, training, equipment rental, and other professional services.

Within the limitations of the budgets of those areas, Administrative Procedure 10-95 allows for

the administration of those areas to initiate those contracts. In accordance with Administrative Procedure 10-60, these contracts must be approved by the Vice President of Administrative Affairs.

FY2022

MAC Touring: Performing Arts Services: 05-60-11601-5309004 not to exceed \$450,000.00

Primary Strategic Long Range Plan Goal: Arts, Culture & Community Engagement. To accomplish this, we will: Create an equitable and inclusive community, and improve livability through the arts. Be the region's premier choice for the arts and cultural programming. Deliver responsive programming to support life-long learning. Create opportunities to further partner and engage with external communities.

Secondary Strategic Long Range Plan Goal: Economic Development. To accomplish this, we will: Cultivate equity and inclusion principles and practices into economic development activities. Provide training and education consistent with regional workforce needs. Support regional business through incubator, accelerator, and consultation programs. Collaborate with community and business partners to advance regional economic impact and workforce development.

RECOMMENDATION

That the Board of Trustees approves the contracts for all artists listed above for a total expenditure not to exceed \$450,000 payable to the artists and their respective agents and the release of these payments over \$15,000.
