It is the intent of the buyer and seller to comply with the Anti-Kickback Statute (42 U.S.C. §1320a-7b(b)) and the Discount Safe Harbor and Warranties Safe Harbor regulations set forth in 42 C.F.R. 1001.952(h) and (g), respectively, as applicable. Buyer's price may constitute a 'discount or other reduction in price' under the Anti-Kickback Statute. Seller will provide buyer with invoices that fully and accurately disclose the discounted price of all products purchased in order to allow buyer to comply with this paragraph and the Discount Safe Harbor regulations, including sufficient information to enable it to accurately report its actual cost for all purchases of products. Buyer acknowledges that, if applicable, it will fully and accurately report all discounts or other price reductions, including warranty items, in the costs claimed or charges made under any Federal or State healthcare program and provide information upon request to third party reimbursement programs, including Medicare and Medicaid. Buyer will be solely responsible for determining whether any savings or discount or warranty item it receives must be reported or passed on to payors.
