Hello Jennifer,

Thank you so much as I wanted to make sure the funds were available, and they are!

The only thing that should be updated is the format of the purchase order number. We are now utilizing a new system and we have an image scanner. I'm noticing that if the format is not correct, it slows things down.

Regarding the **PO/Reference field** : **Please update the PO# to reflect B0374572 (B followed by all numerals. I'm seeing letter O, and it should be zero) .**

If this doesn't make sense and you want to talk it through, please feel free to call me. My cell is 630-234-5918.

Thank you again!

Best,

Anne Marie Dando
