Stratasys' acceptance of this purchase order is expressly subject to acceptance solely on Stratasys' terms and conditions of sale which are set forth in their entirety at <http://stratasys.com/legal/terms-and-conditions-of-sale> (the "Terms"). Stratasys agrees to sell to Customer, and Customer agrees to purchase, the system(s) ("System"), System parts ("Parts"), proprietary resins and thermoplastics and/or other consumables (collectively, "Consumables"), and/or other ancillary products (collectively, the "Products") and/or Services (as defined in Section 1.3 of the Terms) that are set forth in any purchase order or any other Stratasys-approved written purchase agreement tendered to Stratasys (each a "Purchase Order"), any and all of which shall be solely governed by the terms of sales set forth at: <http://stratasys.com/legal/terms-and-conditions-of-sale> (the "Terms"), notwithstanding any conflicting or additional provisions in any such Purchase Order or other Customer communication. No purported waiver or other modification of these Terms will be effective unless, and only to the extent, specified by an express waiver or modification signed by an executive officer of Stratasys. All other proposed modifications or waivers (whether whole or partial) of these Terms are hereby objected to and rejected in all respects. The provisions of such referenced Terms shall have the same force and effect as though set forth herein in their entirety.

These Terms: (i) Constitute the entire agreement and understanding between the parties regarding the terms of each Product sale, and supersede all prior and contemporaneous representations, promises, statements, agreements and understandings, written or oral, regarding the subject matter hereof; and (ii) may only be modified and/or waived by a written agreement executed by both parties. Notwithstanding the foregoing, these Terms may be modified by Stratasys from time to time and in its discretion, by delivery of replacement Terms to Customer, and by posting such then-current Terms at <http://www.stratasys.com/legal/terms-and-conditions-of-sale>.

These commodities are authorized by the US Government for export only to the destination stated on this invoice for use by the end user. They may not be transferred, transshipped on a noncontinuous voyage, or otherwise be disposed of, to any other country or end user, either in their original form or after being incorporated into other end-items, without the prior written approval of the US Department of State.
