Hi Thomas,

I have added the additional B0001264 reference to the order, and sent the payment link to invoicing@cod.edu and CC'd you as well. Once paid for, I can send you both the paid invoice for your reference.

We've had a change in system since I've started processing orders and I currently don't have visibility on your previous order. Can you please share with me your payment terms so I can get your order pushed through as soon as possible?

Thank you,

I think those look correct. As long as they're the same size as the previous ones we ordered....we are all good then.

Let me know! Thank you!

Hi Thomas,

Nice to e-meet you - I'll be handling the inputting of your order in our system now that Josh is no longer with us.

Can you please confirm if the products and quantities outlined in the attached document are correct? We have two versions of Marilyn and Flowers , and what I've included the quote are the singular versions as opposed to the sets. Please confirm this is accurate?

In addition, we've included the word "QUOTE" as requested in the Order Note section.

Please let me know if you have any questions or concerns as I'd be happy to assist.

Thank you,

Hi Thomas,

I'm not sure why Josh let you ordered 1 of each as it's against the company policy for the simple reason that we expect our partners to have 1 sign on the wall and one sign to be sold.

If you already ordered I'm happy to move forward with one of each.

Marlon in cc will be able to process your order

Thanks a lot

Hi Jeremy -

When we ordered these at the beginning of the exhibition we only ordered one of each. We ordered 9 different warhol neons. Are you saying that I need to order two of each?

Thanks for your quick feedback Thomas,

We have a minimum order of 2 per SKUs.

Are you able to send us a PO or should we just send you a payment link for the products?

I'm looping our wholesale team to support you.

Thanks a lot
