### Processing a Check Request:

To expedite the processing of a check request, or other non-purchase order disbursement, the requesting department should:

1. Verify that the vendor intake process has been completed by the Procurement Office.  
Payment cannot be made to a vendor until this process has been completed.
2. Complete and review this check request form and confirm that all relevant supporting documentation is attached including fully executed contracts, if applicable.
3. Ensure the payee information is complete and includes the vendor's Colleague ID number.
4. Ensure that the general ledger account number is included and correct.
5. Maintain a copy of the approved check request form for department records.
6. Submit the completed check request form to the Accounts Payable Office.

The check request form will be returned to the budget officer if the information is incomplete, not in compliance with College Policy, or if budget is not available.
