Need-to-Know Information

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Effective January 11, 2023, the definition of the Administrative Charge will be modified to help defray and recover certain direct and indirect costs we or our agents incur, including: (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability, and wireless tower mandate costs; (b) property taxes; and (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.

Please note that this surcharge is a Verizon Wireless charge, not a tax or government-imposed fee. This charge, and what's included, is subject to change from time to time.

Important Information Regarding Your Customer Agreement

Verizon updated several parts of your Customer Agreement. In the "My Service" section, we clarified that Service terms apply to the Account Owner, all lines on your account, and any subaccount(s). In the "Cancellation" section, we clarified that canceling Service after 30 days may impact previously qualified promotion(s) and outstanding device financed balances. In the "My Privacy" section, we specified: (a) what info we report to credit reporting bureaus; and (b) that you authorize Verizon to use or disclose information about your account and wireless device(s) to Verizon or its service providers to prevent fraud. We also noted that your provided email address or mobile telephone number (via SMS) may be used at any time to provide receipts, notices (including billing notices) and other documents regarding your Service, and clarified where you can manage your communication preferences. In the "What happens if my Postpay Service is canceled before the end of my contract term" we removed old Early Termination Fee language that is no longer applicable to Verizon Consumer accounts. In the "Can I have someone else manage all or a portion of my Postpay account" section, we prohibited Account Managers designated lines from using devices or service that is intended for use by a child and noted that Account Owners remain liable for any unpaid amount(s) with subaccount(s). We added a section called "What are 'Managed Wi-Fi Networks'" which details policies and procedures regarding Wi-Fi connectivity and access to Wi-Fi network(s) owned and operated by entities with which Verizon has agreements to provide you with access to those Wi-Fi networks. We separated the "How can I prevent unintended charges on my bill or block spam calls" into two separate sections, but did not make any changes to the content of those sections.

Regulatory Charge Increase

Effective September 1, 2024, the monthly Verizon wireless Regulatory Charge for voice-capable devices increased from \$0.16 to \$0.19 per line. The charge for data-only devices remains at \$0.02 per line. Please note that this is a Verizon wireless surcharge, not a tax or government imposed fee. This charge, and what's included, are subject to change from time to time. For further information regarding this charge, review the "Explanation of Surcharges" section of this bill.
