Hi Marivic,

Sorry for another outstanding invoice inquiry, but can you please let me know if these invoices are in Chrome River somewhere? Vendor is Comcast Holidngs/effectv (1178054). I double checked in Financial Management and I don't see that they are paid. Would you please advise when you get a chance?

Hi Molly! I wanted to flag this situation as I'm worried we might not be able to place further cable until they receive payment. Similar situation to WGN – they're missing payment on some older invoices.

Subject: RE: [External] Re: Unpaid Invoice

Hello!

I have received another notice from the Finance Department. The outstanding invoice from August is still not showing as paid. Do you have any confirmation or payment date that I could give them?

Also, October invoices are now at 90 days and I received an alert for those also. I have attached a copy of the August and October invoices for your reference.

Thank you and please let me know if you have any questions.

Hello!

We received approval from our board of trustees on December 19th for us to go over our \$25,000 threshold so payment will be received once we return to campus in January. I apologize for the delay in payment.
