PAY-PER-CALL INFO

Pay-per-call information services are provided over telephone numbers beginning with 900 or 976. 900/976 blocking may be available by calling your AT&T representative at the number listed on your bill. Blocking is free the first time it is requested. If blocking is removed and later reactivated, a charge may apply. Requests to remove 900/976 Blocking must be submitted in writing. You may withhold payment if you dispute 900/976 charges within 60 days. Action to collect disputed amounts will be suspended pending investigation of the dispute. Your local and long-distance telephone service cannot be suspended or disconnected for nonpayment of 900/976 charges. Companies that provide 900/976 service may take other actions to collect 900/976 charges you have not paid for and have not disputed. If you fail to pay legitimate 900/976 charges, access to 900/976 numbers may be involuntarily blocked. Partial payments will be applied first to basic phone service, then to 900/976 charges. You may not be billed for 900/976 services that do not comply with Federal laws and regulations.
