If such cash delivered price is increased by Dealer, Purchaser may, if dissatisfied therewith, cancel this Contract, in which event if a used vehicle has been traded in as a part of the consideration for such new motor vehicle, the used motor vehicle shall be returned to Purchaser upon payment of a reasonable charge for storage and repairs (if any) or, if such used motor vehicle has been previously sold by Dealer, the amount received therefor, less a selling commission of 15% and any expense incurred in storing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser.

4. RIGHTS CONCERNING VEHICLE BEFORE PURCHASE COMPLETED. Purchaser shall not have any rights in the vehicle to be purchased until Dealer receives final payment. Dealer shall not be liable for any failure to deliver or delay in delivering the vehicle to be purchased, if such failure or delay is caused, in whole or in part, by the acts or omissions of the Manufacturer, accidents, strikes, fires, or any other events or casualties reasonably beyond Dealer's control.

Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have no obligation to Purchaser to make the same or any similar changes in any motor vehicle, chassis, accessories or parts thereof covered by this Contract either before or subsequent to delivery thereof to Purchaser.

6. CANCELLATION AND TERMINATION. 14. SEVERABILITY. If any term, covenant or condition of this Contract or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Contract or the application of such term, covenant or provision to persons or circumstances other than those to which it is held invalid or unenforceable shall not be affected thereby, and each term, covenant or provision of this Contract shall be valid and may be enforced to the fullest extent permitted by law.

Hi David,

Hope you had a good weekend. The used car manager just gave me the appraisal this morning. It is worth \$3,600 on trade. Miles are fantastic, but the age and body condition hurts it. I would just need a PO to place the order. Talk to you soon.

Thanks,

Good morning Joey,

I am working on moving forward with purchasing the F-150 truck you quoted. I would like to bring in a work van, that the F-150 will be replacing, for a trade in appraisal. When is a time/day that the van can be appraised?

Hi David,

It is not listed in the factory order specs. It is listed as an up fit on page 6 of the proposal. It is included in the price.

Good morning Joey,

Thank you for the proposal. My only question is that I do not see the power lift gate listed in the proposal? Was this missed in pricing?

Hi David,

I would just need all the specs for the truck that you want; cab style, engine, trim level, and options. I can spec the vehicle out and build it on paper for you. Once I have those details, I can look up the Gov't Price Concession for College of DuPage and give you pricing for it. If there is a trade in involved, we just have to see and drive the vehicle for an accurate appraisal. If all works out, we would just need a PO from the college to order the vehicle. Let me know and I would be happy to help you.

Subject: Vehicle Purchase Inquiry

Good afternoon,

I work for the College of DuPage and am looking for pricing on a replacement vehicle. I was looking at the State's joint purchase program. I am interested in a pickup truck and looking at commodity code: 5012-803-1012 for a 4 x 2 Ford pickup. The only additional options needed are light bar, power lift gate, and delivery. Please send information regarding purchase procedure and any information on trade in.
