Bill To Address: This is the current mailing address for this account. If the bill needs to be sent to a different/additional address, please contact the District with the corrected address. The District requires a written request for all address changes.

ACCOUNT INFORMATION

Account: This is the District's internal account number relating to your sewer service. Please reference this number when calling with any questions regarding your bill or service.

Service Address: This is the property address where sewer service is being provided.

Billing Date: This is the date the sewer service bill was issued by the District.

Due Date: This is the date your entire payment is due to the District without incurring a late payment penalty.

CURRENT CHARGES

Sewer Service Fee: Fee represents charges for sewer infrastructure maintenance. This fee is based upon water consumption, unless the account is non-metered, then a flat rate charge is assessed.

User Fee: Fee represents charges assessed for the treatment of wastewater. This fee is based upon water consumption, unless the account is non-metered, then a flat rate charge is assessed.

Service Availability: Fee assessed to all customers connected to the District's sewer system. Residential users are assessed a fixed monthly charge. Commercial users are assessed a monthly charge based upon multiples of equivalent home water usage.

Meter Read Charge: Village charge for providing water meter readings to the District.

Waste Strength: Fee assessed to commercial restaurants/food handling user accounts that fail to meet acceptable wastewater pollutant discharge standards. A waste strength default rate fee may be assessed if an acceptable sample cannot be obtained at the location.

Summer Cap Fee: Fee assessed to customers participating in the summer cap program.
