Independent Contractors

I. Board Policy #15-465

Employee vs. Independent Contractor

The Board recognizes the need for and will compensate for personal services in accordance with the following criteria:

1. Individuals who offer their services to the public as a normal part of their business will be considered independent contractors.
2. Any person who is already an employee of the college cannot also be considered an independent contractor by the College of DuPage except for payments under intellectual property rights (Board Policy #15-195).
3. All other individuals under the direction of the college and paid by the college will be hired as employees through established procedures and paid through the payroll system.

II. Board Procedure for Policy #15-465

Agreements with independent contractors for services of \$5,000 or less will be arranged through use of an Independent Contractor Agreement. The Independent Contractor Agreement also serves as a requisition and requires proper budget accounts and approvals.

Agreements with independent contractors in excess of \$5,000 will be arranged through the use of an individualized contractual agreement. The development of the contract will be through the office of the Vice President of Administrative Affairs. A purchase order requisition must accompany the contractual agreement.

Only one payment is to be made for independent contractor services. This single payment will be made only after the completion of the contractual services.

Agreements with regular college employees for additional compensated services will be arranged through the appropriate college offices through the payroll system except for payments under intellectual property rights (Board Policy #15-195).
