# ILLINOIS TACTICAL OFFICERS ASSOCIATION

"Character is like a tree and reputation like its shadow. The shadow is what we think of it; the tree is the real thing."

...A. Lincoln

Our purpose is to promote and encourage educational activities and/or research related to the law enforcement field. Provide an opportunity for tactical officers to gather together to compare ideas and experiences. Through education and networking, high-risk operations requiring a tactical team would be made safer.

## BECOME A MEMBER
