### FEE DESCRIPTIONS

The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

### INTERCEPT EXTENSION

AT&T will be eliminating its Intercept Extension Service on or after 4/30/2021. Intercept Extension Service (also known as Intercept Referral Extension Service or Number Referral Service, additional months) extends intercept beyond the free period. Customers currently using Intercept Extension Service will receive the service through the end date of their paid extension. Intercept service uses a standard announcement to inform callers that the number they attempted to reach has been disconnected or is no longer in service. For questions, please visit us at att.com or call us at the toll free number on your bill.

### BAND A AND B USAGE

Effective March 1, 2021, the Band A and B initial and additional per minute rates will increase from \$0.52 to \$0.57. If you have any questions on these changes, please call the toll-free number listed on your bill.

### BAND C & LOCAL TOLL

Effective March 1, 2021, the Band C per minute rate will increase from \$4.65 to \$5.11 and the in-state (intrastate intraLATA) local toll rate to independent companies will increase from \$4.65 to \$5.11 per minute. If you have any questions on these changes, please call the toll-free number listed on your bill.
