News You Can Use

PREVENT DISCONNECT

Thank you for being a valued customer. It is important to inform you that all charges must be paid each month to keep your account current and prevent collection activities. In addition, please be aware that we are required to inform you of certain charges that MUST be paid in order to prevent interruption of basic local service. These charges

LONG DISTANCE INFO

AT&T Long Distance or a company that resells their service is your long distance carrier. You also have slamming protection, which prohibits a change of carrier without a specific request from you to lift the protection. To lift the slamming protection you must call or write your AT&T local business office.

RATE INCREASE

The Federal Universal Service Fee (supports telecommunication needs of low-income households, consumers living in high-cost areas, schools, libraries and rural hospitals) increased on 1/1/2021. Your current bill reflects the change. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

WHITE PAGE DIRECTORY

To get your free copy of the AT&T White Page directory, where available, please call 844.339.6334 or visit www.therealyellowpages.com. Some directories will move to a 14+ month publication. Questions? Please visit us at att.com or call the toll free number on your bill.

FEE DESCRIPTIONS

The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

INTERCEPT EXTENSION

AT&T will be eliminating its Intercept Extension Service on or after 4/30/2021. Intercept Extension Service (also known as Intercept Referral Extension Service or Number Referral Service, additional months) extends intercept beyond the free period. Customers currently using Intercept Extension Service will receive the service through the end date of their paid extension. Intercept service uses a standard announcement to inform callers that the number they attempted to reach has been disconnected or is no longer in service. For questions, please visit us at att.com or call us at the toll free number on your bill.
