Hello Jennifer,

First off I do appreciate the time and thought you put into your email. I've added your concerns to a discussion we will be having with the Provost and Lisa Stock tomorrow afternoon. In the meantime, if you have invoices which are coming due, please send them onto Accounts Payable and let them know I approved them to come in that way while we work this all out. Thanks, Scott

**Subject:** RE: Vendor Invoicing Procedures

Hi Scott,

Happy New Year—hope you had a restorative break.

I'm working through the implications of the procedural change you announced just before break with the Library acquisitions team. As procurement is an embedded, core function of the Library (ordering, receiving, and creating a controlled inventory of physical and virtual items), having vendors submit invoices to AP directly without our acquisitions team receiving/reviewing them first creates a number of problems.
