Thank you, Sharon. I have included Adrianna Costello, the Business Associate for the Nursing and Health Sciences Division, in on this email. Please include Adrianna in on the invoice.

Will our faculty have to re-register with the new subscription?

Hello Maureen,

Thank-you for providing that information. I have updated our records to deactivate Debra's account and give administrative access to Judy's account.

We're glad to hear of your interest in renewing the subscription and are able to extend your subscription another 12 months for \$999.

Please let me know when you're ready to subscribe for another year, and I will prepare an invoice based on the above renewal quote. Also, please let me know if there is a billing contact I may copy on the invoice.

I'm happy to discuss if you have any questions – my contact info is below!

Sincerely,

Sharon Darula

Hi Sharon...we currently have 13 full-time faculty members.

Can you please remove Dr. Debra Gurney from the list; she is no longer with the agency. Dillys Gallyot (gallyoot@cod.edu) is our Director of Nursing. She is also a faculty member.

Can you also please add Judy Carino (carinoj@cod.edu) as an admin; she is the Chair of our Faculty Development Committee.

We look forward to our renewal quote.

Thank you so much!

Hello Maureen and Debra,

I'm reaching out to thank you for being a NurseTim, Inc subscriber. We've had much growth in our offerings as a direct result of feedback and input from our subscribers.

I'd like to discuss the renewal of your subscription to extend it another 12-months (your current subscription ends **1-7-21**). Before I can send you a renewal quote, would you **please tell me the current number of only full-time faculty in your program?** (Part time, adjunct, preceptors and graduate students receive access at no additional cost).

Please also share any ideas for helpful webinars or resources that NurseTim could offer in the coming year.

I look forward to hearing from you soon. Stay safe, be well!
