PREVENT DISCONNECT

Thank you for being a valued customer. It is important to inform you that all charges must be paid each month to keep your account current and prevent collection activities. In addition, please be aware that we are required to inform you of certain charges that **MUST** be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$51.75.

CARRIER INFO

AT&T Long Distance, or a company that resells their service, is your long distance and local toll carrier.

FEE DESCRIPTIONS

The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

PAY-PER-CALL INFO

Pay-per-call information services are provided over telephone numbers beginning with 900 or 976. 900/976 blocking may be available by calling your AT&T representative at the number listed on your bill. Blocking is free the first time it is requested. If blocking is removed and later reactivated, a charge may apply. Requests to remove 900/976 Blocking must be submitted in writing. You may withhold payment if you dispute 900/976 charges within 60 days. Action to collect disputed amounts will be suspended pending investigation of the dispute. Your local and long distance telephone service cannot be suspended or discontinued for non-payment of 900/976 charges.
