## Dr. Gregory Williams President, Odessa College

Dr. Gregory D. Williams serves as President of Odessa College, a position he has held since January 2007. Accepting that post was a true homecoming for Dr. Williams, who began his journey in higher education as a student at Odessa College in 1983.

Dr. Williams has led the OC team in breaking every major enrollment record, student retention record, student success record, and fundraising record previously held by the college. His leadership has set OC on the path to becoming the best community college in the nation.
